BOARD RECOGNITION - Ms. Pai

The Board of Education recognizes Clinton Elementary School and South Orange Middle School for successfully fulfilling the requirements of the New Jersey Department of Education (NJDOE) to exit from the Focus School List. Clinton Elementary School and South Orange Middle School both received Exit Letters on June 30th, informing us that they are no longer on the Focus School list.

NJDOE Acting Commissioner Kimberley Harrington commended both schools, saying:

"I applaud your successful efforts to close the achievement gaps in your school, and encourage you to maintain a cycle of continuous improvement in order to remain on a positive trajectory."

We congratulate Ann Bodnar, Lynn Irby and their staffs for the incredible work they have done to comply with Regional Achievement Center (RAC) requirements and to support their students' achievement. Will all Clinton and South Orange Middle School staff who are present please stand to be recognized.

Columbia High School Teacher TJ Whitaker has worked tirelessly to protect the rights and promote the welfare of our students and our community. Mr. Whitaker helped organize a "Charlottesville Teach In" with other educators from around NJ on September 9th, which provided teachers with ways to help their students process disturbing recent national events. In addition, Mr. Whitaker was the driving force behind exposing the true facts of what occurred on July 5, 2016. The Board thanks Mr. Whitaker for his outstanding dedication to social justice and the wellbeing of our students.

Peter Bauer, CHS Director of Bands, earned a Master of Arts degree with a concentration in instrumental conducting from Montclair State University.

Louise Kern-Kensler, CHS Junior trombone player, completed a summer residency of work at the Kinhaven Music camp in Vermont.

Columbia High School English Teacher Stacey Lawrence had her poem "LOOKING" published in the literary journal, *The Raven's Perch* theravensperch.com this summer.

Scott Cohen, CHS STEM/CTE teacher graduated in June 2017 from an 8-month leadership development and advocacy education program for adults with developmental disabilities and family members. This program is delivered by the Rutgers RWJ Medical School of Pediatric Medicine and The Boggs Center on Developmental Disabilities with funding from the New Jersey Council on Developmental Disabilities. The goal of this program is to prepare the next generation of disability advocates to work toward meaningful change in our state. Participants are chosen through a highly selective process and learn about best practices and important areas for advocacy from nationally-known experts and work on developing their own advocacy action plans

Keysha Knight, Secretary in the Office of Curriculum & Instruction, is currently in a Master's program at Rutgers, and was just selected to *The National Society of Leadership and Success* due to her 4.0 GPA.

Board of Education Member Johanna Wright was honored at the Historically Black Colleges and Universities "Living Legends Scholarship Gala" in North Carolina in August. Ms. Wright was honored for her true passion for serving students, and the impressive accomplishments of the CHS Cougars girls' basketball team under her outstanding coaching.

Columbia High School was selected as the most beautiful public school in New Jersey as part of Architectural Digest's September 12th [article](#) "The Most Beautiful Public High School in Every State in America."

APPROVAL OF MINUTES

Ms. Baker declared the minutes of the Executive and Public Sessions of August 21, 2017 approved as presented.

SUPERINTENDENT'S MONTHLY UPDATE - Dr. Ficarra

Superintendent Dr. Thomas Ficarra updated the Board and community on district progress, including preparations for QSAC monitoring, community mapping, changes to the field trip list, and plans to upgrade internet capacity and the firewall. He highlighted specific items in the Board packet, including the revised organizational chart. Dr. Ficarra stated that the organizational chart is still a work in progress, and he will work collaboratively with supervisors and principals to ensure we are providing additional support to the high school, while still meeting the needs of the entire district. Dr. Ficarra also updated the Board on the progress with lead remediation. He then asked Business Administrator Paul Roth to provide an update on pest management, and Assistant Superintendent Susan Grierson to provide an update on math supports at the high school and changes to the middle school schedule, where the WIN (Whatever I need) period has now been replaced with a rotation of the core four academic classes.

BOARD PRESIDENT'S UPDATE - Ms. Baker

Ms. Baker commended Dr. Ficarra and the Leadership Team for a collaborative and transparent opening of school. Administration has been very prompt in keeping the Board and community informed in situations where things may not have gone as well as we would have hoped. This type of candor builds trust. The Board received an incredible amount of positive feedback regarding the email update sent to the community following the August 21 Board meeting. The community is excited to receive informative post board meeting updates. Ms. Baker also thanked Dr. Ficarra, Administration and ASCA and SOMEA leaderships for a collaborative and positive convocation at the start of the school year.

HEARING OF INDIVIDUALS AND DELEGATIONS

Urged administration to rethink how HIB laws are implemented especially at the elementary level. Not asking the Board to change the law, but to ensure that administrators are applying the laws fairly and accurately in order to provide the due process every family deserves.

Millwood Hobbs Jr.
Maplewood

Asked for clarification regarding the outcome of his child's HIB appeal. Spoke about an incident involving his child and the student named in his child's HIB complaint. Feels the outcome of the HIB process will cause students to become alienated.

NEW BUSINESS

Ms. Baker read the following statement into the record:

To clarify for the record, in Executive Session on August 21, 2017, the Board discussed a number of appeals and as a result of that discussion the Board

determined that matter #2017-SOMS-11 constituted HIB and that decision was to be reflected as resolution #3607. The Board further determined that matter #2017-SOMS-12 did not constitute HIB and that decision was to be reflected as resolution #3608. However, the appeal numbers were transposed and resolution #3607 incorrectly referred to matter #2017-SOMS-12 and resolution #3608 incorrectly referred to matter #2017-SOMS-11. Therefore the resolutions do not accurately reflect the Board's actual determinations on those two matters.

All members of the Board should be advised that the parties involved in these matters were advised of the correct determinations as well as the error in reading the resolutions into the record. So at this point, I hereby move to Amend Resolution #3607 to correctly reflect the Board's decision by substituting matter "#2017-SOMS-11" for the incorrect "#2017-SOMS-12" in the two places where that reference appears in the resolution and to notate the August 21st minutes as these motions being amended at this meeting.

I also hereby move to Amend Resolution #3608 to correctly reflect the Board's decision by substituting matter "#2017-SOMS-12" for the incorrect "#2017-SOMS-11" in the two places where that reference appears in the resolution and to notate the August 21st minutes as these motions being amended at this meeting.

Motion made by Ms. Baker, seconded by Ms. Smith to amend the minutes of the August 21, 2017 Board meeting to reflect the changes read into the record.

ROLL CALL: Motion to amend pass; 5 yes, 2 no, 1 abstain
