 Parent/Teacher Conferences: October 10

School District Five is a SCDE approved eLearning district. The current provision allows the district to use up to five (5) days in eLearning. These days are for emergency situations, such as inclement weather or utility interruptions (for example, water line breaks or power outages). They are not planned days on the calendar.

Additional student learning opportunities will be provided during the school year on dates to be determined and communicated to families by the individual schools.
