December 2024

Dear Parent/Guardian:

It is time to once again to begin thinking about planning an appropriate program of studies for your child. Within the next few weeks, your child will be choosing a program of studies for next year. Several dates and activities have been scheduled to help you and your child make these choices. Our goal, as always, is to make sure students and families are fully informed of this process. Specific links and updates will be shared out as we approach the dates of each event. They include:

- |   |   |
|---|---|
| <b>January 2</b>                                  | Administrators from CR North will meet with and provide an overview of the course offerings and student life at the high school to the 8 <sup>th</sup> graders at NMS.  |
| <b>January 6</b>                                  | The 2025-2026 Program Planning Booklet will be available on-line.   |
| <b>January 6</b><br><b>(Snow Date: January 8)</b> | <b>An evening parent orientation meeting is scheduled</b> , with a variety of sessions to choose from.  |
| 6:30 PM   | Department Coordinators will be available to answer subject specific questions in <b>East Side of the CRHS-North Cafeteria</b> —for all grade levels.   |
| 7:00 PM   | Mr. Jason Traczykiewicz, Principal, will welcome all families in <b>CRHS-North Auditorium</b>   |
| 7:15-8:15 PM                                      | A general <b>curricular overview</b> will be held for parents of current 8 <sup>th</sup> graders and new families. Counselors and administrators will be available to answer questions.   |
| <b>January 30 – March 7</b>                       | Small group and individual conferences with counselors will be held at which time selection of courses is confirmed; each student will bring home a course selection form with his/her selections for parent signatures. Please return this form with your signature within one week. |
| <b>April 4</b>                                    | Last day for student initiated changes.   |

Making wise choices at this time is extremely important. Although academic progress is a reason to make changes in the spring, many other types of changes are difficult to accommodate; therefore, we strongly urge you to attend the parent orientation meeting on January 6th, to read through the program planning booklet, and to spend time with your child planning a program of studies.

Please keep in mind that parents are to sign and approve the form or to note differences. Students are to return the form to the counselor. We would like to emphasize that teachers and counselors have spent considerable time and effort in making the best possible recommendation for your student.

If you have any questions or special concerns, please contact your child's counselor – we stand ready to assist you.

Sincerely,

  
Jason S. Traczykiewicz  
Principal

  
Anthony L. Venezia  
Assistant Principal, Curriculum
