

Superintendent Goals 2024-2025

Dr. Larry Washington, Superintendent of Schools

COMMUNITY CONNECTION

Enhancing Collaboration and
Transparency

Superintendent's Goal: Community Connection

Superintendent's Goal: Community Connection

Incorporating Stakeholder Voices in Decision-Making

Community Input Solicitation

Use surveys, focus groups, and public comment periods to gather community input on key decisions and policies.

PTA/PTO to discuss school initiatives, receive feedback, and address concerns from parents, students, and community members.

Action Items

Community Connections

Curriculum & Instruction: Action Items

Community Connections

Family Engagement Night: Organize themed events for Math, ELA, STEM, ENL, and Wellness.

Focus on strengthening academic and social connections with families.

Student Showcases: Highlight student success through concerts, plays, and science research presentations.

Pupil Personnel Services: Action Items

Community Connections

Community Partnerships

Collaborate with agencies like OMH satellite clinics to provide mental health referrals and services.

Wellness Presentations:

Host workshops on mental health awareness and transitional services (e.g., OPWDD LifePlan).

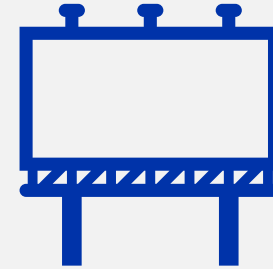

Technology: Action Items

Community Connections

ParentSquare Integration

Streamline communication with families and staff.

Digital Signage

Upgrade and add digital signage in schools to provide updates and information to parents and community members.

Human Resources: Action Items

Community Connections

Advisory Committees

Establish parent and community advisory groups for district feedback.

Surveys and Forums:

Gather input regularly through surveys and open discussions.

Finance: Action Items

Community Connections

Transparent Budget Discussions

Engage parents and community members in open forums to discuss financial decisions and build trust.

Regular Reporting

Provide updates on how the Capital Project enhances educational opportunities and community resources.

Finance: Action Items

Community Connections

Community Advisory Committee

Establish a group of parents and community members to provide input and oversight on Capital Project implementation.

Dedicated Communication Channel

Create a website section, newsletter, or social media updates focused on Capital Project progress.

Finance: Action Items

Community Connections

Ongoing Transparent Communication

- Share regular updates on the Capital Project timeline, fiscal status, and budget adherence.
- Present progress reports at Board of Education meetings.

Alignment with Strategic Goals

- Highlight how the Capital Project supports the district's long-term vision for educational excellence.

Celebrating Milestones

- Recognize project achievements with community events and ceremonies, such as ribbon-cuttings.

2024-2025

THANK YOU
