## **KMS ACTIVITIES INFORMATION**

**7th and 8th grade boys' basketball:** Thank you for a great season. A reminder to turn your jerseys in!

**7th and 8th grade girls' basketball** are slated to begin on *Monday, January 6th, 2025*. All 7th and 8th grade girls' basketball players need to be signed up on Dragonfly prior to the start of the season so we can get an accurate count of teams. Sign up through the Dragonfly link on the KMS Activities page under girls' basketball. A current physical and proof of insurance are required.

**Dragonfly reminder for parents-** Please make sure that you select the **current season** in your Dragonfly profile. For example, if your student participated in a 24/25 fall sport such as volleyball, you need to go into Dragonfly and make sure you select Girl's basketball-7 or 8 so your student gets put on the correct list. When you do this, you can also add a spring sport such as 7th/8th Tennis or Track and Field.

## **KMS FOOD DRIVE**

The KMS food drive was able to collect 3960 units of food last week. The food was used to support 25 KMS families, with the remainder being picked up by the Lions Club and donated to the Flathead Food Bank. Congratulations to our grade level winners - Titans (6th), Galaxy (7th), and Bonanza (8th). Thanks to all students and families that were able to donate, it makes a big difference!
