INCLUSION ON ICE

Easterseals Rehabilitation Center and Augusta Levy Learning Center (ALLC) are pleased to join forces with the Wheeling Nailers to host the **4th Annual Inclusion on Ice** on February 9, 2025, at the J.B. Chambers Memorial Ice Rink at Wheeling Park.

The **FREE PUBLIC** event, conceptualized by local advocate David George, will give everyone of all abilities the opportunity to glide across the ice with the assistance of Wheeling Nailers and Wheeling Lightningbirds players and other volunteers.

The event includes inclusive ice skating, a sensory room, refreshments, face painting, photo booth, and games for individuals with developmental and physical disabilities as well as their families and typical peers.

A community resource fair will feature local organizations and businesses that focus on serving children with disabilities of all kinds.

How can you help? We are seeking community partners to sponsor this event. We are pleased that Wheeling Park and the Oglebay Foundation already have committed to sponsoring admission and skate rental. Ad-

ditional costs include refreshments, adaptive and sensory equipment, children's activities, and the resource fair. Money raised above and beyond our event costs ultimately will benefit clients served by Augusta Levy Learning Center and Easterseals.

Would you consider joining us as an Inclusion MVP or Champion? Your donation will support the event, and your company will be recognized for championing this important cause. Sponsor Levels are enclosed.

With your help, we can offer a fun, free event that prioritizes inclusion and acceptance of all abilities in the Ohio Valley. We hope you will join us on February 9!

Sincerely,

Inclusion on Ice Committee
