EXPLANATION OF TESTING AND RESULTS:

Results in this report represent sampling conducted by Washington State Department of Health. Per **RCW 28A.210.410** sampling and testing protocols, samples were collected as first-draw. Depending on size of the school(s) and number of drinking water fixtures, multiple dates for collecting samples may have been necessary to meet sampling and testing protocols. Above is information related to lead sampling for your school(s). For questions regarding testing and result, please email: leadfreekids@doh.wa.gov
