

MARIA SANFORD MIDDLE SCHOOL

Welcome to Maria Sanford Middle School. Our school serves approximately 750 amazing students in grades 6, 7 and 8. We are a school where academic excellence, inquiry, and personal growth are at the heart of everything we do.

As an International Baccalaureate (IB) World School, we are committed to developing students who are thoughtful, open-minded, and responsible global citizens. The MYP framework emphasizes inquiry-based learning, critical thinking, and the importance of interdisciplinary connections, ensuring our students are well-prepared for the challenges and opportunities of the future. Through a focus on both academic and personal development, we aim to inspire students to become lifelong learners who actively contribute to a more compassionate and sustainable world.
