STUDENT PARKING

New driver? Congratulations! In order to park on school campus, the student driver must display a parking permit while parked on campus at all times. Student must have a driver's license (not permit). Go ahead and scan the QR code or [click this link](#) to complete the application.

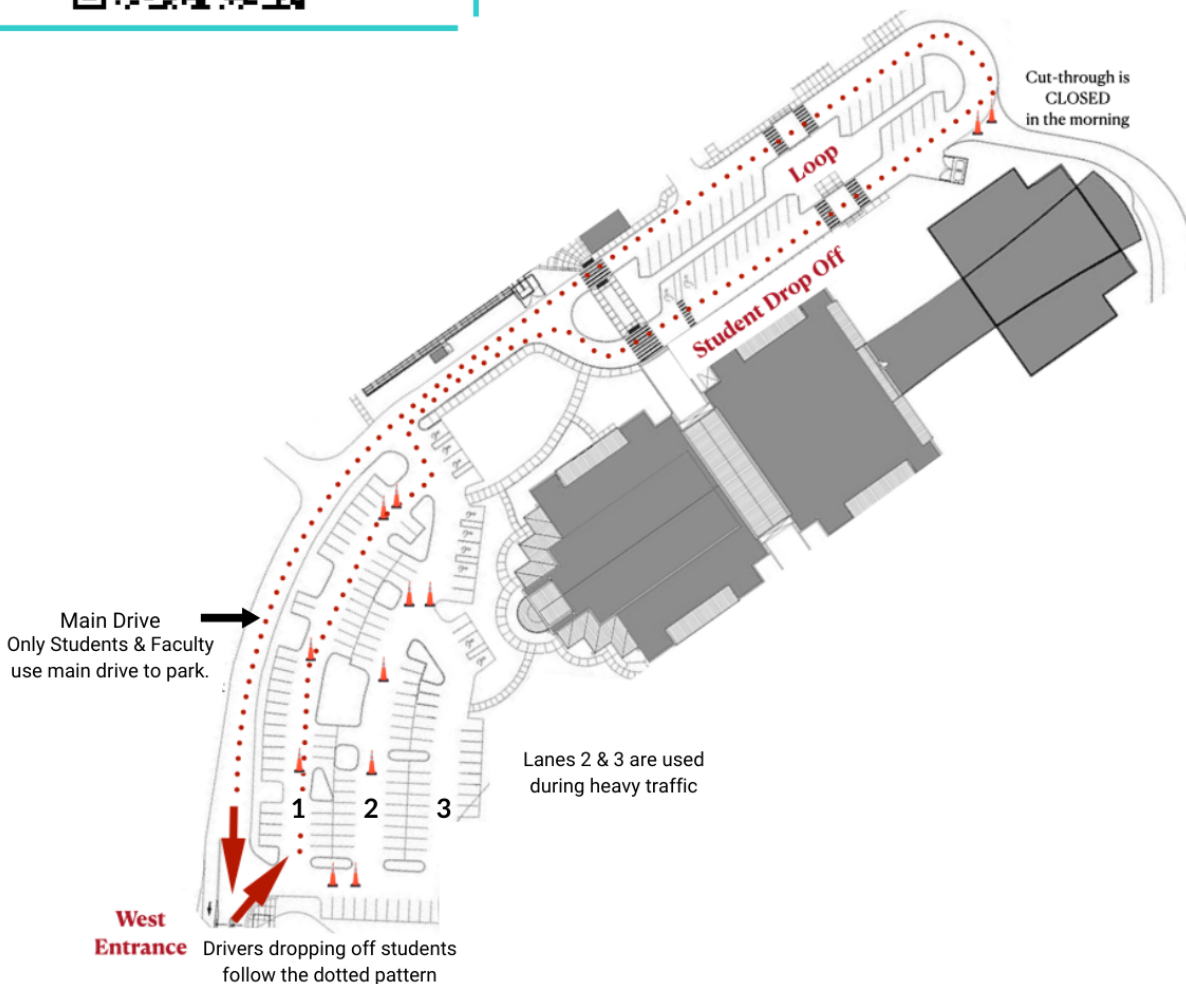

SAFETY MATTERS

Please be sure to lock your car and do not leave anything valuable in your car that can be easily seen by others.

Be aware of your surroundings. Like we avoid texting and driving, try to avoid walking and texting. Doing so takes you away from what is going on around you. Be vigilant and keep your eyes up.

MORNING ARRIVAL

The main drive is only for students and faculty that will be parking. All others need to use the carline route. As a reminder, you don't have to weave through the parking lot unless there is heavy traffic on campus. You are able to use the first lane (1) you come to in the west lot. **All Drop-Off (and Pick-Up) traffic is at the front of the school. Please do not drop students off in the middle of West parking lot.** Thank you for helping us out with this.

Safety always comes First
