

TPRS Counselor Signing up Students for Online Dual Credit at Odessa College

Pictured above is Mia Llanez

Valerie Grado has been calling in our TPRS seniors and juniors for their educational planning. She encourages them to sign up for the online dual credit class that will not only assist them in learning the process of continuing their college education, but it will also ensure they earn their CCMR point! CCMR is College Career Military Readiness, and this point is required for graduation. It is our goal to make sure each of our students is college ready. Thank you, Ms. Grado, for helping our students stay on track. She signed up Mia Llanez and Daniella Bonilla for an online dual credit OC Course.

Senior spotlight

Daniella Bonilla is a senior at Permian High's teen parent program. She is currently in the veterinary program. After high school she plans to study to be a veterinarian technician in Austin, Texas. She is committed to her goal for her and her baby. We are extremely proud of you.

HAPPY BIRTHDAY

Friendly Reminders about Grades

It is important to stay focus on making good grades. Your diligence not only reflects your commitment to learning but also impacts your academic success. Your effort will pay off in the form of improved grades and a better understanding of the material. Stay organized, stay focused, and do your best!

Attendance

The deadline for turning in all attendance credit recovery hours was December 14th. If you owe hours for attendance in the first semester, it is so important to make it up. Don't procrastinate on making up your time. It's essential to ensure you receive all your credits. Don't risk losing them due to owed hours. Take action and visit with your principal. You can make up time in the cafeteria or in M Den 1 or M Den 2 if you have Edgenuity.
