# Greg Sawko does it again – Coats4Kids 2024

December 2, 2024  
Denton, Texas

We all met at Denton for the long awaited box truck from Greg Sawko and the Motorcycle gang! This year they did not disappoint – they collected over 2,400 coats for kids of all ages in the Denton County Area!

And as Tradition would have it, He Jumps in with a Merry Cheer and lets the elves begin sorting!

So many kids will be warm this winter because of all Mr. Sawko and his crew do every year. A drive that started in 2011 with a coffee chat to an idea on collecting 227 coats that year, to the amazing work today in 2024, that lead to collecting over 2,400 coats for kids of all ages in our Denton County School Districts!

Thank you to all who participated in the *drive* and donated a coat(s)!

*You will be the Blessing a young child needs this winter season!*

**PROVIDING WARMTH & HOPE MAKING A DIFFERENCE, ONE NEW COAT AT A TIME WORKING TOGETHER AS ONE**

PARTNERS IN ACTION

And to go along with COATS, what better than **FRESHLY KNITTED HATS** made by our very own Terri Schaer, who made all these hats for our kids to keep their heads warm! She and Becky Knight, delivered them!

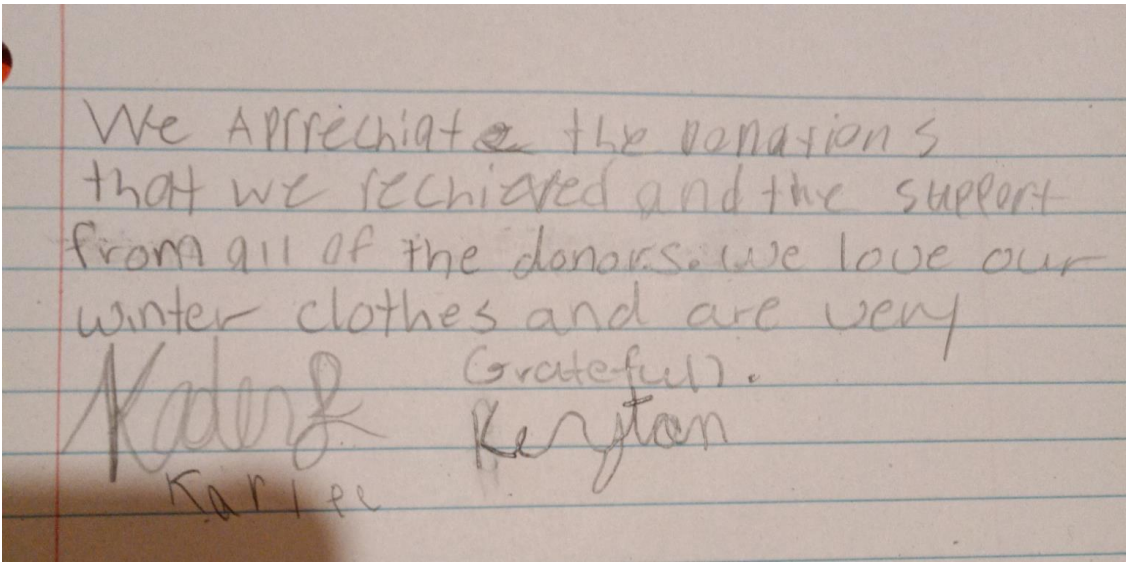

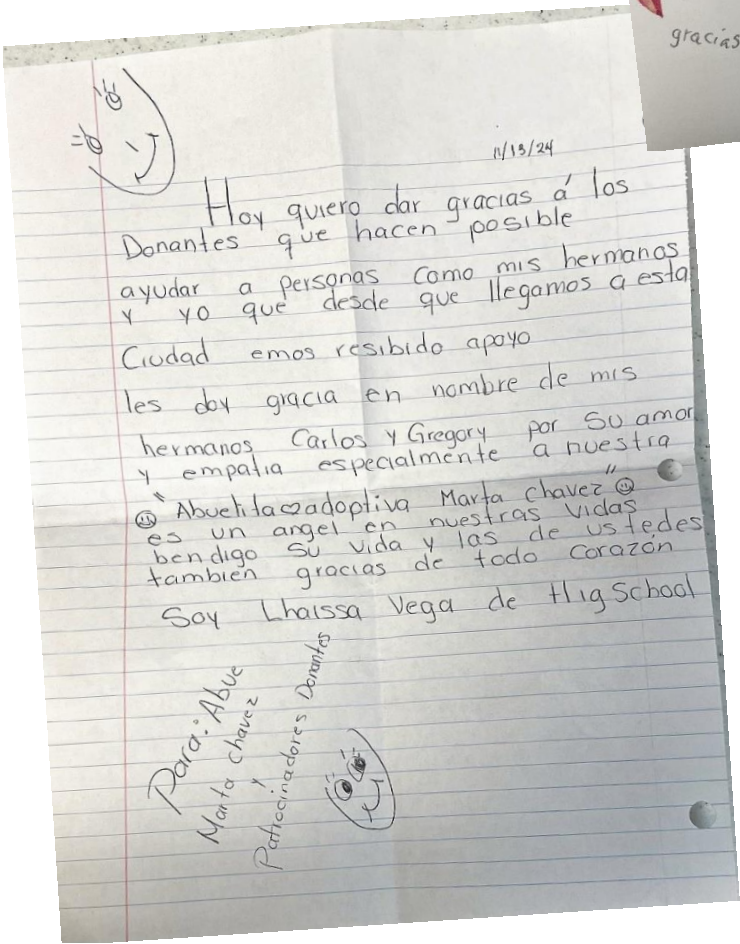

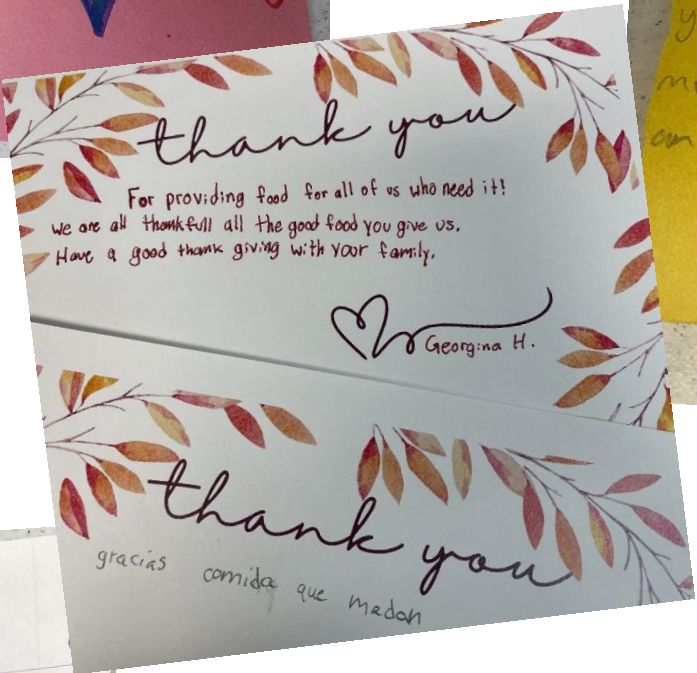

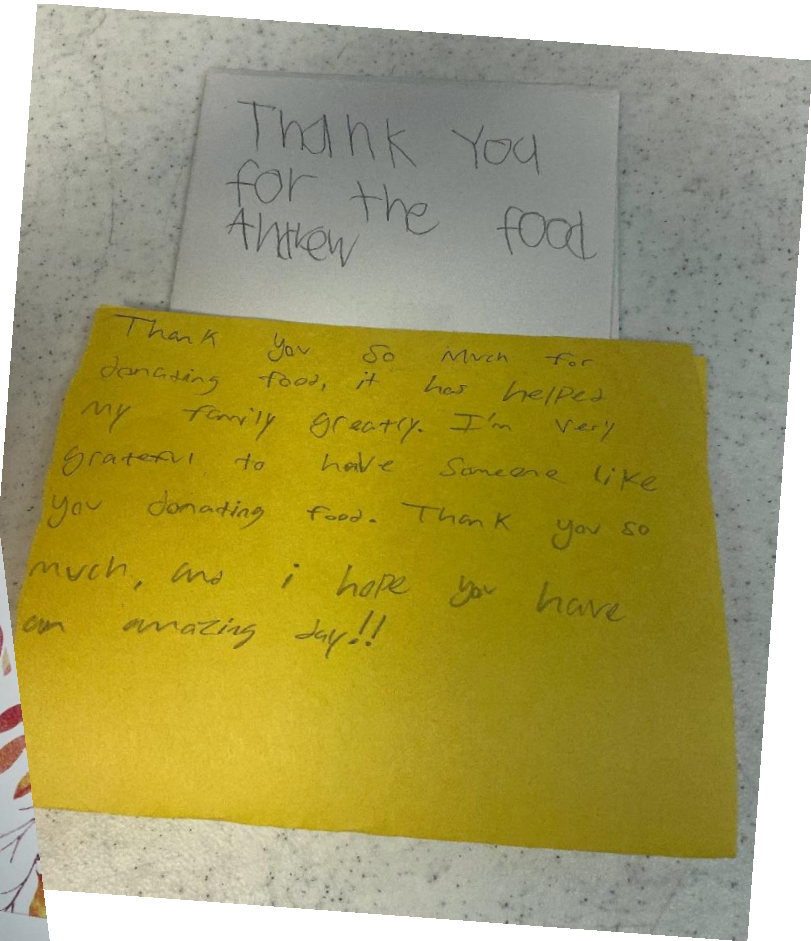

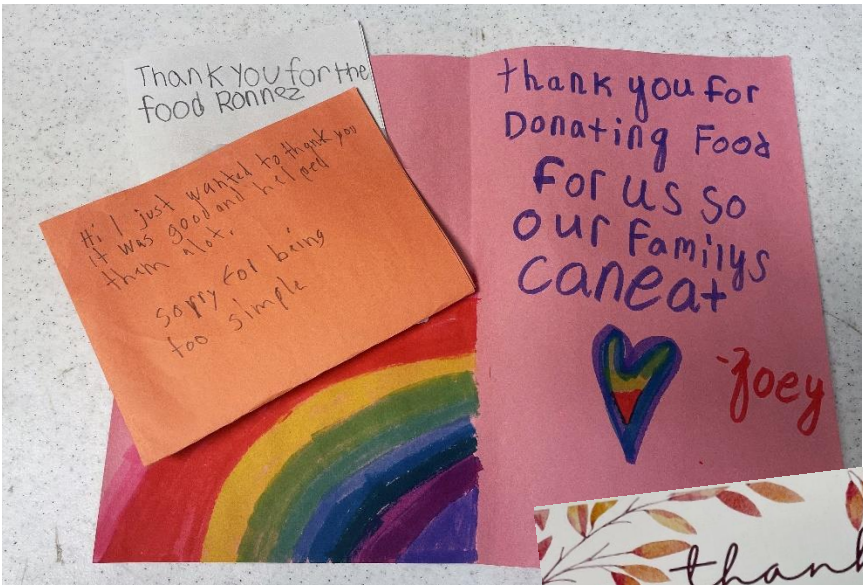

We get to go outside and play now that we have Terri's Knitted Bonnets to keep us warm! Aren't they gorgeous! Contact has been made with every school counselor to

check on their kids and see how we can fit them with a new Warm Hat for these cold days! If you are need of one for your child, please let me know.

GRATITUDE FROM OUR LITTLE'S AND THEIR FAMILIES
