\$5,000 scholarships will be awarded to five outstanding applicants based on academic record, volunteer experience and financial need.

Scholarship applications open September 3, 2024

Deadline to apply: February 14, 2025

Application requirements:

- High school students must be on track to graduate by June 2025.
- High school transcript or academic record with minimum a 3.0 Grade Point Average.
- Two essays: one detailing personal aspirations and goals, and one describing how this scholarship would help with financial needs for college/university.
- Resume summarizing work experience, volunteer experience, awards and extra-curricular activities.
- Volunteer experience related to wetland or marine ecosystems may be given priority.

Bill and Meredyth Stern made significant financial contributions over the years to support the Bolsa Chica Ecological Reserve and the Amigos de Bolsa Chica, including a very generous donation by Meredyth in Bill's honor that funds this scholarship. Bill and Meredyth's contributions are a gift that will continue to make the world a better place.
