\$1,000,000 personal and advertising injury
\$1,000,000 sexual misconduct and assault
\$100,000 Fire Damage
\$10,000 Medical Expense

Coverage for sexual misconduct must be affirmed.

The professional consultant is to provide the School District with a certificate of insurance, evidencing the above requirements have been met, prior to the provision of services. The failure of the School District to object to the contents of the certificate or the absence of same shall not be deemed a waiver of any rights held by the School District.

If Independent Contractors are required to provide Professional Errors and Omissions coverage of their own, then proof of this coverage must be provided.
