Welcome to NIS!

Dear Prospective Colleague!

Thank you for your interest in joining our learning community here at Nagoya International School.

You will find at NIS a community committed to delivering the best in internationally-minded, holistic, and inclusive education for each of the students we serve. Hailing from over 30 countries and speaking 30 home languages, our classrooms and corridors are filled with our mission to create opportunities for our students to inquire, inspire, and have an impact!

You will be joining NIS at an exciting time. We exited the COVID years with renewed energy and purpose. We aim for classrooms where students don't simply answer the question, but instead question the answer! And we want for these classrooms to be spaces of safety and belonging in which relationships, identity, and learning can flourish. We celebrate the unique potential of each child - and we know that in our diversity lies our strength.

NIS has been serving the needs of international families in Nagoya for 60 years and in that time we have so much to be proud of and celebrate. We look forward to receiving your application and having conversations with you about how you can contribute to the next chapter of our story.

Inquire, inspire, impact.....and include!!
