Ellevation Platform Trainings for Texas LPACs

Ellevation offers online or virtual training on the three major LPACs for Texas districts: Initial LPAC (BOY), Assessment LPAC (MOY), and End of Year LPAC (EOY). We do not offer multiple LPAC training types in one session.

In each LPAC course, participants will learn to use Ellevation Forms to manage and document the LPAC committee's decisions.

- The training durations for LPAC offerings are based on Forms. Add one hour to any LPAC training offering that does not feature Forms (except for the expanded Assessment LPAC (MOY) session).
- The “Analyzing student data (Student List)” session is a prerequisite to all LPAC Courses.
