

SCHOOL CONSULTANT PRICE LIST

Effective Date 05/01/2024

Services

GSFT-School Safety Certification currently offers the following services and correlating prices. Because of each school district's specific and individualized needs, this cannot be an exhaustive list, and school districts are encouraged to submit a request for proposals for services as required.

- **School Safety Certification (Guardian)**
Price starts at \$420 per certification and includes immersive simulation training using NLT (non-lethal training) ammunition. Annual re-certifications begin at \$350 per certification.
- **School Safety Staff Professional Development Group Training**
Pricing starts at \$400 per hour per instructor with a minimum 4-hour training event.
- **School Safety Staff Professional Development Individual Training**
Pricing starts at \$250 per individual per day.
- **TxSSC 3-year Audit Completion**
Price ranges from \$4,500 per campus for a small complex to \$8,500 for a large one.

Prices do not include travel and lodging expenses for staff and are subject to changes based on the cost of supply fluctuations.
