

WILLIAM
MARTINEZ

**Region One Education Service Center
RFP FY24-0162 ROPC Professional Consultant Services**

William provides a powerful 60 to 90-minute keynote session, *The Power of BELONGing*. His keynote provides the foundation and context for his breakout session, *ASL in the Classroom*.

ASL in the Classroom encompasses 90-120 minutes of interactive and engaging content in which audience participants learn, practice, and use the skill for generalization into their classroom to improve communication and classroom management.

The Impact of Rest, a stand-alone breakout session, is comprised of 90-120 minutes of interactive and thought-provoking content in which the audience participants explore barriers to their personal rest.

William will work with systems to customize professional learning opportunities to fit the need of the participants. Please see the table below for possible scenarios. Digital materials and resources supporting content are available on his website, www.william-martinez.com.
