

ELLICOTT ROAD ELEMENTARY

4th Grade Intramural Program

Dear Parents/Guardians:

The 4th Grade Intramural Program will begin on **Tuesday February 6th, 2024**. The program will meet on **TUESDAY MORNINGS** from 8:10 to 9:05a.m.

The goal of the Intramural Program is to provide the participants with extra opportunities for physical activity. Participants will learn more advanced skills and rules to various sports that have been covered in the regular Physical Education setting. This year's programs will be running on a "tournament style" schedule. This means that not all participants come on all intramural days. Once we have collected all permission slips, we will split students into teams and create schedules to send home with your student so that he / she is aware of their intramural days throughout the session.

If your student is being driven to school, they should not arrive any earlier than 8:10 a.m. in the morning on Intramural Days. If they plan to take the bus, you must complete the [2023 Transportation Request](#) form (scan QR code in the top corner of this page) to arrange pick-up as soon as possible. The bus would arrive at Ellicott at approximately 8:15.

If your son / daughter is interested in participating, please complete the permission slip on the bottom of this sheet and have them return it to their Physical Education Teacher **no later than Friday, February 2nd**. If you have any questions regarding this program, please feel free to contact us.

Thank you,
