ANNOUNCEMENTS

- Students in our new rising learners and multiage special education classes at Eggert Elementary and Orchard Park High School have the opportunity to go and skate with SABAH once a week throughout this year. During each session, the students work on developing their skating skills. This is an amazing opportunity and experience for our students and we are thankful they are able to participate. He thanked the senior athletes of the Varsity Hockey Team who volunteered to skate with the students and the classroom aides that headed right out on the ice with their students. Also, thank you to Amy Grossman, Chris Cowell, our teachers, as well as Minser Bernys and Betsy DiCanio, from our special education department.
- November 15th is SRP Recognition Day. Our school related professional employees include nurses, teacher aides, bus drivers, bus aides, monitors, cleaners, mechanics, secretaries, clerks, technology aides, computer support personnel, laborers, and custodians. These professionals are partners in the success of our students. They keep children safe to and from school, on the bus, in the classroom and on school grounds. They make sure that information from home to school is received. They assist our teachers in the classroom. They help our children in the cafeteria. They keep our buildings clean, updated and running. They come to work with a “can do” attitude and know that they make a positive difference every day, no matter their role, and that they are a key component in a student’s educational success. Their work, time, care and effort, means so much to our teachers, administrators, parents and students, we should be thanking them each and every day, not just today.
- November 11, 2022 is Veterans Day and we would like to take moment to thank our veterans. For all of you who have served or are currently serving, we are grateful for your service to our country. We do not take for granted the sacrifice you have made to keep us safe and free.
