Suggestion for Changes to the Agenda

- Dr. Ramierz added an addendum to consensus personnel.

ANNOUNCEMENTS

Announcements

- Mr. Lilleck made the following announcements:
 - The first day of school for students is Tuesday, September 6, 2022.
 - The transportation department is planning for neighborhood pick-up stops and is in the process of planning and ensuring we can meet all of our transportation needs in the safest and most efficient manner. Information regarding bus routes will be shared with families after September 1. Teacher placements for the elementary and student class schedules for the secondary will be live between August 19 and the 22 in the student and parent portal. We will also be working with our transportation department to pick-up students from licensed childcare centers around the district.
 - Earlier today Speaker Carl Heastie and Assemblyman Patrick Burke announced \$1 million in school safety funding for Orchard Park and West Seneca schools. Orchard Park will receive 500k from the NYS Assembly and these funds will be used to enhance the safety and security of our school buildings.
- Dr. Tinnesz announced that last week she signed the bonding for the 2022 school bus purchase. This bus purchase is part of the long-range plan to replace aging buses with no new impact to the school tax bill. The bidding on the bonding was very attractive and the lowest bid was awarded at 3.240% to Roosevelt and Cross. Our financial consultants report that the districts sound financial practices continue to position the district as a sound investment.

**PUBLIC
COMMENT**

Public Comment

- A member of the audience thanked the Board and administration for being dedicated leaders grounded in excellence for all students.
- A member of the audience congratulated the district for receiving additional funding for safety and requested they look into hiring additional SRO's. Stated they believe some books in libraries may be controversial and without necessarily banning books, would like a list of all books and which ones have controversial material be available.
- A member of the audience commented on cyberbullying and the need for more to be done to stop cyberbullying.
- Mr. Lilleck commented that what might be a controversial book to some parents may not be to others. The district follows the NYS standards and is very thoughtful in the process of pricing reading materials.
