# Class Rank Responses

The responses indicate a mixed perspective on the impact of class rank on student well-being and academic experiences. Some respondents believe that class rank fosters a healthy competitive spirit, motivating high-achieving students to excel. However, others argue that it can lead to unhealthy levels of stress and fixation on numerical rankings rather than holistic learning experiences. There are concerns about the potential negative impact on students' mental health and the potential for class rank to discourage participation in extracurricular activities. Some respondents suggest that class rank may not accurately reflect a student's abilities or potential, and that it may discourage students from taking challenging courses.

# Next Steps

- We will develop a stakeholder group to examine and develop new ways to celebrate ALL of our students, including a timeline of phasing out the use of rank.

*We will not “change the game” on students currently*

# Upcoming Half-Day and Early Dismissal

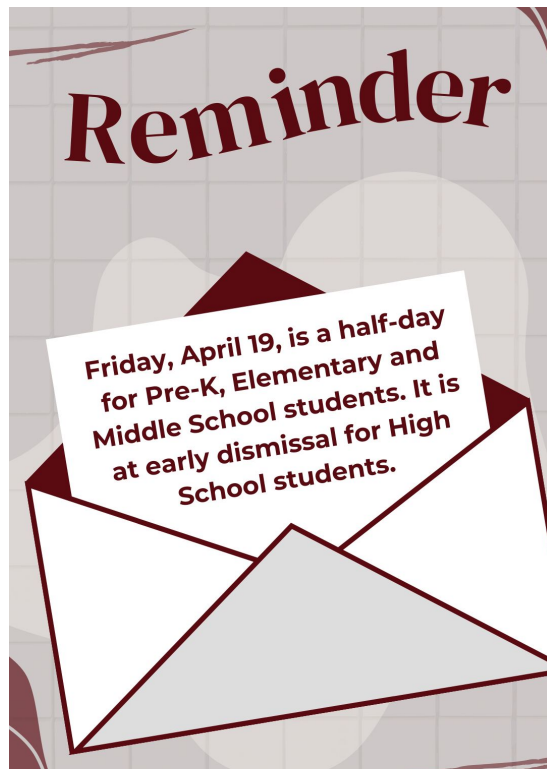

**Friday, April 19, 2024**, is a half-day for Pre-K, elementary, and middle school students and an early dismissal for high school students.

- Middle School Dismissal at 10:30 a.m.
- Pre-K Dismissal at 11 a.m.
- Elementary Dismissal at 11:30 a.m.
- High School Dismissal at 12:45 p.m.

During the October 2023 Board of Education meeting the district calendar was revised to incorporate a half-day and early dismissal following the announcement of the Luke Combs concert at Highmark Stadium. This proactive adjustment was recommended by OPPD and was implemented to prioritize the safety of our students and families.

# Boys Basketball

The Orchard Park Boys Varsity Basketball team had a very successful 2023 - 2024 winter season. Our varsity boys finished the season with a 17-5 overall record and 7-3 in a very competitive ECIC I division. We finished as a top 10 team in Western New York and played at Buffalo State University in the Section VI Class AA-1 Semi-Finals. We were also able to play again in Cleveland, Ohio at the Rocket Mortgage Fieldhouse for the third time in the last six seasons and were able to bring the Freshman and JV teams down with us to help build the foundation for the program in the future. We have had many players achieve postseason accolades for their accomplishments during the season and will have some of our seniors continue on with college basketball after they graduate at the end of the year as well.
