

# Literacy Steering Committee

## Accomplishments:

- 9 meetings this year.
- Teachers, reading specialists, AIS, special education, ENL, school psychologist, speech, administrators.
- Developed a district-wide mission, vision and guiding principles for literacy instruction which is grounded in the science of reading and evidence-based instructional practices.
- Partnered with The Reading League for a professional development partnership.
- Unpacked Literacy Briefs from NYSED.
- Over 80 teachers have participated in Shifting the Balance book studies.
- Teachers have engaged in over 70 hours of professional learning related to evidence-based literacy practices this school year.
- Literacy training for our high school English department.
- March 8 training with literacy consultants in support of science of reading instruction.
- Screening of The Right to Read.

## Next Steps:

- Reading League Admin Intro Day next week
- Modifying assessments and yearly data points for 24-25 school year
- UFLI Training April 8th and 19th
- Meeting on April 25th to plan pilots for the 24-25 school year
