Dr. Ayers listed the topics for the dinner meeting: 1) Inclement Weather Procedures

Inclement Weather Procedures – Dr. Ayers shared with the Board that the District has processes in place in the event of inclement weather. The sources used to help make decisions on a two-hour delay or school closure include The National Weather Service, Wyo-Road, weather.com, and there is communication with the Wyoming Department of Transportation (WYDOT). If the CCSD administration makes the decision to delay or close school, mass communication is used to call parents, and the information is posted on the district website and Facebook page.

Transportation Director Jerry Bowman shared that their department begins driving roads around 2:30 a.m. and communicates with WYDOT. Parents have access to the app “Here Comes the Bus,” which provides real-time bus tracking. Wyo-link radios are on the buses and suburbans and can be used at any time, even when there is no cell phone service. The maintenance department begins plowing school parking lots between 1:30 and 2:00 a.m.

The meeting adjourned at 5:50 PM, with no action taken by the board.
