SCHOOL ACCOUNTABILITY COMMITTEE

The School Accountability Committee (SAC) is an opportunity for parents and community members to have a voice in the continuous school improvement process.

This team of volunteers meets with one or more teacher representatives and the building principal or designee at least four times per year to review school data, discuss the school improvement plan, provide recommendations about spending priorities and promote parent and community engagement. Members of the team learn about the important work of the school and offer insight and feedback.

MEETING: February 13th
4:00 - 4:30pm

Still time to join this committee. Please contact Ms. Murphy if you are interested in more information!

Schedule for 24 - 25 ACCESS testing:

<u>Monday 1/13</u>	<u>Tuesday 1/14</u>	<u>Wednesday 1/15</u>	<u>Thursday 1/16</u>	<u>Friday 1/17</u>
Normal Schedule	Normal Schedule	Morning ACCESS Testing and Enrichment Afternoon Period 1, 2, & 3	Morning ACCESS Testing and Enrichment Afternoon Period 4, 5, & 6	Normal Schedule

What is ACCESS testing?

ACCESS testing is a series of English language proficiency assessments that is administered annually to monitor progress in listening, reading, writing, and speaking. This is similar to the WIDA screener. The key difference is that the WIDA screener is for placement in ELD classes and to give students a designation.

When will this testing occur?

The district testing window for ACCESS is currently January 13, 2025, to February 14th, 2025. Thornton Middle School is doing building-wide testing on Wednesday, January 15th, 2025, and Thursday, January 16th, 2025.

Who takes the ACCESS test?

Students who are monitored for ELD services and have a designation as a NEP (Non-English Proficient) or LEP (Limited English Proficient) take the ACCESS test.

Why is ACCESS important?

ACCESS is how our MLs show their growth in their language proficiency. It allows the opportunity for students to be redesignated and move towards exiting the ELD program. The ACCESS test is also important because it is a component of our school performance framework along with CMAS scores.

What will the students who are not taking ACCESS be doing during the testing time?:

Students who are not required to take the ACCESS test will engage in a variety of enrichment activities. These activities will be focused on goal setting and planning to finish the school year strong.

On testing days:

- Encourage your student to have a goodnight sleep the night before.
- Encourage your student to have breakfast on the days of testing, whether it is at home, or getting **free** breakfast in the TMS cafeteria!
- Remind students to bring their charged chromebook AND charger the days of testing and bring a book to read for when they are done.
- Students will have very limited access to lockers on testing days to keep the hallways quiet and maintain an equitable testing environment in the school.
- **Reminder:** Per school policy, students are **not** allowed to have their cell phones or other personal electronic devices with them. They will be confiscated and taken to the main office until the end of the day if they are seen. If a student has a personal electronic device (even a smart watch) out during state testing, the student's test may be invalidated.
- Encourage your student to do the best they can that day and to be mindful of the other students taking the test so that they can also do the best they can. TRY on every question. We want to know what you know of the standards. It's okay if you are unsure, the best thing you can do in any situation is try.

Cougar News

How can families support their student(s) on state testing and their education in general?

- Encourage students to complete all assignments and learning activities in ***all*** their classes, especially making sure that students make up all assessment opportunities.
- Be involved in the student's academics. Ask questions about what students are learning and ask to see work sent home. Log into Infinite Campus and ask about scores.
- Remind students of your expectations for their learning and to follow school expectations so that all students are able to learn and grow.
- Reach out to teachers and the school with any questions around your student's education. We are all here to partner to support students in learning and growing.
- Remind students to bring a charged chromebook to school EVERY DAY.
- ***Reading at home makes a BIG difference in students' learning!***

ATTENDANCE

Contact Information:

Attendance Line - 720-972-5198

Nancy Bender - Attendance Secretary
720-972-5169 -
Nancy.L.Bender@adams12.org

If your student arrives more than five minutes late for school, please have them stop at the Attendance Office to get a late pass. They should do this as soon as they walk in the school building. The reason this is an important step is to make sure that your student's attendance is updated and corrected.

Checking Your Student Out Early

We understand that there will be times you will need to check out your student from school early. When doing this you **MUST** come inside to the main office window to sign them out. You will need a **picture ID** and you must be on the authorized pick-up list for the student you are checking out in the Infinite Campus system.

Middle School Sports!

As you know, middle school sports are back and growing every year. For the 2024-2025 school year we will be adding soccer, very exciting!

Please make sure you take a look at the middle school sports that will be available next school year. As you make plans this summer please add a SPORTS PHYSICAL to your list. All students must have a valid sports physical in order to participate in any of the sports offered.

- Cross Country (co-ed): August-October (6th, 7th, 8th grade)
- Girls Soccer: August-October (7th and 8th Grade)
- Boys Basketball: October-December (7th and 8th Grade)
- Girls Volleyball: January-March (7th and 8th Grade)
- Girls Basketball: March-May (7th and 8th Grade)
- Boys Soccer: March-May (7th and 8th Grade)

Please get those sports physicals done! We want our students to participate!

Cougar News

Cougar Clubs - 2024 - 2025

We are excited to have a number of great club and activity options for our students.

Students will have the opportunity to attend clubs of their interest. Clubs will run after school..

Clubs day, place and Sponsor, will be listed on Thornton Middle School website.

Please pick your student or students up on club days by 5:15. There will also be a late bus for students to ride dropping them off at three different stops in our attendance area. Information will be given to students to inform you of their drop off location.

Apply Now for Free and Reduced Benefits

Free and Reduced Benefits HELP FAMILIES AND YOUR SCHOOL

Here's the many ways the benefits can help you:

- ✓ Your child's school can receive additional funding to enhance the educational experience for all students.
- ✓ School fees can be waived or reduced. These include athletic fees, course fees and activity and field trip fees tied to curriculum.
- ✓ Students in grades 9-12 can receive assistance with post-graduation planning, scholarships, state and national testing (including SAT, ACT, Advanced Placement and International Baccalaureate), and post-secondary enrollment.
- ✓ Families can qualify for additional resources, such as medical, food and cash assistance.
- ✓ Families can receive support with community services, such as internet, gym memberships, passes to museums and cultural events.

Families must reapply for free and reduced benefits each new school year. You will receive your eligibility letter in the mail or by email. United States citizenship or immigration status is not a condition of eligibility for free and reduced benefits.

CELL PHONE POLICY

Thornton Middle School

9451 Hoffman Way, Thornton, CO 80229

Administrative Team

Phone: (720) 972-5160

Dear Parents and Guardians,

I hope this letter finds you well. As we continue our journey towards fostering a positive and productive learning environment, I am writing to inform you about our updated cell phone policy aimed at promoting responsible digital citizenship among our students. We believe that understanding and adhering to our school's expectations regarding the use of personal electronic devices (PEDs) is crucial for the success and well-being of our students.

Our new cell phone policy is designed to create a balanced environment where students can benefit from technology while minimizing distractions during school hours. Here are the key expectations we have set for our students:

1. **Authority to Collect Devices:** All teachers and staff have the authority to collect electronic devices from any student immediately upon request. This measure ensures that our school environment remains focused on learning.
2. **Restricted Usage Times:** Students are permitted to use their electronic devices during morning entry before storing the device in their locker and while exiting the building after the last period. To maintain an atmosphere conducive to social interaction and relaxation, no cell phones are allowed during lunch.
3. **Health and Safety Communications:** Students who do not feel well should report to the nurse's office, where they can call parents if needed. Calls to parents should not be made from personal electronic devices to ensure proper care and attention.
4. **Parent-Student Communication:** If you need to communicate with your child during the school day, please contact the main office. This helps us manage the flow of information and ensures that students remain focused on their educational activities.
5. **Headphone Use:** Students are only allowed to use wired headphones with their Chromebooks. These can be purchased in the main office for \$1 if needed. This policy helps us maintain a consistent and safe environment for all students.
6. **Special Provisions:** Students with a 504 plan or health care plan that includes the use of a cell phone will have access to their device in accordance with their plan. This ensures that all students receive the support they need.

We appreciate your support in helping us implement these guidelines. Our goal is to work together to teach our students how to use technology responsibly and to create a school environment where everyone can thrive. If you have any questions or concerns about this new policy, please do not hesitate to reach out to me or the main office.

Thank you for your cooperation and understanding.

Sincerely,
The TMS Administrative Team

Cougar News

POLÍTICA DE TELEFONÍA CELULAR

9451 Hoffman Way, Thornton, CO 80229
Phone: (720) 972-5160

Thornton Middle School

Administrative Team

Queridos padres y guardianes,

Espero que esta carta te encuentre bien. A medida que continuamos nuestro viaje hacia el fomento de un ambiente de aprendizaje positivo y productivo, les escribo para informarles sobre nuestra política actualizada sobre teléfonos celulares destinada a promover la ciudadanía digital responsable entre nuestros estudiantes. Creemos que comprender y cumplir las expectativas de nuestra escuela con respecto al uso de dispositivos electrónicos personales (PED) es crucial para el éxito y el bienestar de nuestros estudiantes.

Nuestra nueva política de telefonía celular está diseñada para crear un ambiente equilibrado donde los estudiantes puedan beneficiarse de la tecnología mientras minimizan las distracciones durante el horario escolar. Estas son las expectativas clave que hemos establecido para nuestros estudiantes:

1. **Autoridad para recolectar dispositivos:** todos los maestros y el personal tienen la autoridad para recolectar dispositivos electrónicos de cualquier estudiante inmediatamente cuando lo solicite. Esta medida garantiza que nuestro entorno escolar siga centrado en el aprendizaje.
2. **Horarios de uso restringido:** A los estudiantes se les permite usar sus dispositivos electrónicos durante la entrada de la mañana antes de guardar el dispositivo en su casillero y al salir del edificio después del último período. Para mantener una atmósfera propicia para la interacción social y la relajación, no se permiten teléfonos celulares durante el almuerzo.
3. **Comunicaciones de salud y seguridad:** los estudiantes que no se sientan bien deben presentarse en la oficina de la enfermera, donde pueden llamar a los padres si es necesario. Las llamadas a los padres no deben realizarse desde dispositivos electrónicos personales para garantizar el cuidado y la atención adecuados.
4. **Comunicación entre padres y estudiantes:** si necesita comunicarse con su hijo durante el día escolar, comuníquese con la oficina principal. Esto nos ayuda a gestionar el flujo de información y garantiza que los estudiantes permanezcan concentrados en sus actividades educativas.
5. **Uso de auriculares:** los estudiantes solo pueden usar auriculares con cable con sus Chromebooks. Estos se pueden comprar en la oficina principal por \$1 si es necesario. Esta política nos ayuda a mantener un ambiente consistente y seguro para todos los estudiantes.
6. **Disposiciones especiales:** Los estudiantes con un plan 504 o un plan de atención médica que incluya el uso de un teléfono celular tendrán acceso a su dispositivo de acuerdo con su plan. Esto garantiza que todos los estudiantes reciban el apoyo que necesitan.

Agradecemos su apoyo para ayudarnos a implementar estas pautas. Nuestro objetivo es trabajar juntos para enseñar a nuestros estudiantes cómo usar la tecnología de manera responsable y crear un ambiente escolar donde todos puedan prosperar. Si tiene alguna pregunta o inquietud sobre esta nueva política, no dude en comunicarse conmigo o con la oficina principal.

Gracias por su cooperación y comprensión.

Atentamente,
El equipo administrativo de TMS

Title I - Parents Right to Know

As a parent of a student at Thornton Middle School, you have the right to know the professional qualifications of the classroom teacher who instructs your child. This is a requirement for all districts that receive Title I funds. Federal law allows you to request certain information about your student's classroom teacher. The law also requires the district to give you this information in a timely manner upon request. Listed below is the information in which you have the right to ask for information regarding each of your student's classroom teachers.

- Whether the Colorado Department of Education has licensed or endorsed your student's teacher for the grades and subjects taught.
- Whether CDE has decided that your student's teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major; whether the teacher has any advanced degrees, and, if so, the subject of the degrees.
 - Whether any teachers' aides or similar paraeducators provide services to your child and, if they do, their qualifications.

Please contact Adams 12 Human Resources Office at 720-972-4068 or HR-Human-Resources@adams12.org if you would like to receive any of this information.

Como padre de un estudiante en Thornton Middle School, usted tiene el derecho a saber las calificaciones profesionales del maestro que enseña a su hijo. Este es un requisito para todos los distritos que reciben fondos de Título I. La ley federal permite que usted pida algún tipo de información sobre el maestro de su hijo. La ley también requiere que el distrito le proporcione esta información de manera oportuna si usted la solicita.

A continuación verá la información sobre sus derechos para indagar sobre cada uno de los maestros de su hijo.

- Preguntar si el Departamento de Educación de Colorado ha otorgado una licencia o endorso al maestro de su hijo para los grados y asignaturas enseñadas.
- Preguntar si CDE (siglas en inglés para Departamento de Educación de Colorado) ha decidido que el maestro de su hijo puede enseñar sin tener licencia o calificación bajo las regulaciones del estado debido a circunstancias especiales.
- Preguntar cuál es la licenciatura/estudios universitarios del maestro; si el maestro tiene estudios avanzados y, si es así, el tipo de licenciatura.
- Preguntar si asistentes de maestros o paraeducadores similares proveen servicios para su hijo y, si es así, cuáles son sus calificaciones.

Si usted desea recibir alguna de esta información, por favor, comuníquese a la oficina de Recursos Humanos de Adams 12 llamando al 720-972-4068 o escribiendo a HR-Human-Resources@adams12.org.

 - 6th NGAT (Pilot): Oct. 21 - Nov. 8
 - 6th CogAT: Feb. 4 - Feb. 21
 - GT all grades: March 24
- WIDA Screeners: throughout the school year as MLs enroll in school

*****Exact dates and schedules will be determined and communicated at a later date*****

Cougar News

Testing Information

MAP testing is a computer adaptive test ALL TMS students will take 3 times this year (fall, winter, and spring). This is a district required interim test that students in grades 1 - 9 complete to track growth on reading and mathematics skills.

Resources for families:

Family Toolkit: <https://www.nwea.org/family-toolkit/>

MAP Commonly Asked Questions <https://www.nwea.org/the-map-suite/common-questions-families/>

CMAS testing is a state required test that is administered in the spring testing students' grade level knowledge on the standards. ALL students take the English Language Arts and Mathematics. 8th grade students also take the Science test.

Resources for families:

Adams 12 Five Star Schools information:

<https://www.adams12.org/academics/assessments/state-assessments/cmas>

Colorado Department of Education (CDE) website:

<https://www.cde.state.co.us/communications/factsheetsandfags-assessment#factsheets>

<http://www.cde.state.co.us/assessment/generalinfo-parents>

ACCESS testing is a series of English language proficiency assessments that is administered annually to monitor progress in listening, speaking, reading, and writing. Only students who are monitored for ELD services are tested for ACCESS.

Resources for families:

ACCESS for ELLs information: <https://wida.wisc.edu/assess/access>

GT screener is given to all 6th grade students. Some 7th and 8th grade students may also get screened at a different time depending on if they were screened in 6th grade.

Cougar News

Testing Information For Parents/Students

Day of testing:

Encourage your student to have a goodnight sleep the night before.

Encourage your student to have breakfast on the days of testing, whether it is at home, or getting free breakfast in the TMS cafeteria!

Remind students to bring their charged chromebook AND charger the days of testing.

Encourage your student to do the best they can that day and to be mindful of the other students taking the test so that they can also do the best they can. TRY on every question. We want to know what you know of the standards. It's okay if you are unsure, the best thing you can do in any situation is try.

Why do these scores matter?

CMAS and MAP scores are used as a data point for placement into high school programs such as advanced classes, remedial courses, as well entry into tech programs (Future Forward and Bollman)

The state uses CMAS scores to rate schools and for funding purposes.

MAP scores are used for teacher evaluations.

ACCESS scores can help students test out of ELD courses.

What supports are in place at TMS to support students with CMAS?

Teachers are teaching and assessing the standards set out by the state of Colorado in classes daily. These are the standards that are assessed on CMAS.

Students take fall, winter, and spring MAP in reading and Math. These tests support students in experiencing a testing environment. This also provides standardized data to teachers to help support student learning.

How can families support their student(s) in CMAS and MAP scores and their education in general?

Encourage students to complete all assignments and learning activities in all their classes, especially making sure that students make up all assessment opportunities.

Be involved in the student's academics. Ask questions about what students are learning and ask to see work sent home. Log into Infinite Campus and ask about scores.

Remind students of your expectations for their learning and to follow school expectations so that all students are able to learn and grow.

Reach out to teachers and the school with any questions around your student's education. We are all here to partner to support students in learning and growing.

Remind students to bring a charged chromebook to school EVERY DAY.

Reading at home makes a BIG difference in students' learning!

Infinite Campus - Parent Portal

Did you know that Parent Engagement has a direct correlation to student success?

Students with engaged parents are more likely to have higher self-esteem, lower absenteeism and earn high grades or test scores. So what are you waiting for? Log into Campus Parent and get engaged today!

PARENT FAVORITES:

- Accessing student grades
- Give that praise and encouragement for that A or B they studied hard for!
- Review attendance and absences
- Get real-time notifications if your student is absent
- Seeing assignments due or upcoming exams

Connect Today

Campus Parent can be accessed on the web (login information is received from your district), using the Campus Parent mobile app.

Free Counseling Sessions for Youth

The Office of Behavioral Health has launched **IMatter**, a program to provide up to three free counseling sessions for Colorado youth, as a part of House Bill 21-1258 (more information below). Parents can sign up and get resources and therapy sessions for their child. Youth, ages 12-18, can sign up for mental health sessions. Check out this article from [Chalkbeat for more information](#). You can order I Matter materials free of charge through this [form](#).

The Colorado Office of Behavioral Health and its partners have launched IMatter, a program that provides up to three free counseling sessions for Colorado youth.

Get Connected

Youth and their parents can visit the I Matter platform to take a confidential online survey about their mental health and schedule sessions with a licensed behavioral health clinician, primarily online over telehealth. All Colorado youth ages 18 or younger—or 21 and younger if receiving special education services—are eligible to receive free services.

Contact Information

- For general inquiries about the program, contact elizabeth.owens@state.co.us.
- To inquire about being a provider within the program, contact providers@imattercolorado.org.
- To receive help with the website or support in scheduling a session, email support@imattercolorado.org.

Free/Reduced Benefits

Apply now for meal benefits for the 2023/2024 school year. We are asking all families to apply to support potential funding or benefits that go beyond meals. Remember all families must reapply every year.

Apply today at www.adams12.org/myschoolapps. Please be sure to submit an application. Your household's free and reduced-price lunch program (school meals) application can help your family access discounted internet and phone costs and secure additional funds for your school. If your household qualifies for school meals, you might also qualify for P-EBT.
