

**Fair Oaks GL #4 ON TO THE THEATER**  
**“The Impossible Dream”**

*Students will select their parts, memorize and create lines, provide their own costume and develop self-confidence as they perform in an original production. Each site will host two day-time and one evening performance and **students are required to attend each performance unless other arrangements have been made.** A play is a team event with each participant playing a vital role to ensure success. Please contact me [Bcombs@ojusd.org](mailto:Bcombs@ojusd.org) if there is a conflict with production dates.*

**\*Volunteers are NEEDED to create the program, help with set-design, attend rehearsals as assistant directors and help with the cast party after the evening performance. Please contact me with any and all help - WE NEED YOU!**
