Our mission at Viewpoint is to create exceptional readiness for extraordinary futures by cultivating the critical skillset, courageous mindset, and resilient identity of each individual Viewpoint student. ### FINANCIAL AID:

Viewpoint School believes the primary responsibility for financing a child's education rests upon the family. After a family assesses all of its resources, the School encourages them to apply for financial aid to make up any difference between the cost of education and the family's contribution.

More information about our Financial Aid program can be found on our website at [www.viewpoint.org/admission/financial-aid](http://www.viewpoint.org/admission/financial-aid). **The Financial Aid application deadline is January 12, and families must use the Clarity online application service found on our website.** Because Financial Aid is a limited resource, applications for financial aid that are submitted after the deadline will likely be considered for the Financial Aid Wait Pool.

Will you be applying for financial aid?  No  Yes
