Staff Winter Update

Jack has been exploring the seven seas with his pet goldfish, Gilligan, to find the lost city of Atlantis. So far no luck, but he has met many friendly mermaids along the way and even the Loch Ness Monster. After mastering quantum mechanics, **Judd** shrank himself to the size of a bee and successfully infiltrated "The Hive"; befriending Barry Bee Benson and overcoming his fear of bees. **Katy** has been catching all the ducklings that she can around Oregon and is hoping to bring them all with her to camp next summer for pool time! **Elise** lost a battle with the tickle monster in September and has yet to stop giggling. **Matt** has been exploring the swamps looking for fairy-tail creatures. For some strange reason though, the locals have been chasing him down asking where Donkey is. **Ruby** has recently joined the ultimate frisbee team in training for throwing pancakes. She is determined to never let another pancake go to waste by falling on the ground at breakfast. **Michael** has been slowly taming a wildebeest with the leftover hot dogs from lunch. He is making slow progress but hopes to be done by summer. Since last summer, **Boey** has traveled far out into the wilderness of rural Massachusetts. Out there, he has been successfully hunting down bears in order to give them dance lessons for free! **Emma** has collected an abundance of cats since the summer to fill the absence of her campers. Unfortunately this has led to many scratches, send Neosporin. **Conor** has been spending time reconstructing Sky Tower to make it taller than the Burj Khalifa. **Hannah** is pursuing a degree in capturing the flag. Her favorite course so far has been DEF 101: Flag Defense and Strategy. **Zach** has somehow become a buffalo overnight! He now roams the mountains in Colorado promoting a series of tasteful Summer Camp watercolor paintings!! After camp, **Gabriela** befriended a colony of beavers in Phoenix Creek and has devoted her time making dams across site to prevent destruction from the upcoming 3rd Great Molasses Flood. Since summer, **Carson** has been working on a doggy ambulance where he transports sick puppies to the vet to be healed. **Anya** spent some time in the mirror dimension, unfortunately she still cannot tell her lefts from rights. This Fall, **Pete** has found a new obsession with birds. Particularly, big birds: like falcons and hawks- oh my goodness he loves them. His dream is to be picked up and carried away by one. Upon realizing her destiny, **Georgia** decided to join a pack of wolves in the woods. She has now become the alpha and is leading her pack through the Sonoran foothills to protect the site from dangerous predators. **Jenna** has spent the year carefully studying the camp whipped cream in an attempt to find the perfect consistency for hair styling in the Whipped Cream and Water Fight. She swears the next batch will be the one! **Peter** has been dabbling in some wizardry and culinary expression. Combining the Black Cauldron and his Italian genes he has created a pot that constantly spews forth perfectly cooked noodles. Try some next summer!

A Magical Summer Awaits You!

A summer full of adventure and imagination is ready to begin at Foothill Horizons Summer Camp. We are proud to announce seven themed sessions during which your child can meet new friends, acquire new skills, and enjoy themselves in a caring, imaginative setting.

CAMPERS

Children entering grades 2-8 the following school year are invited to sign up for one of our adventures. During their stay, campers bunk with children their own age, but have chances to interact with other age groups through camp activities. We offer a 2-phase Counselor-in-Training and Junior Counselor program for graduating 8th-11th graders. For more info about the program, email fhsummercamp@gmail.com

SETTING

Our facility is located outside Sonora at the Wade Outdoor Education Center and boasts over 140 acres of forests, streams, and trails in the Sierra Nevada foothills. In addition, we maintain a pool, astronomy tower, modern dorms, a full size dining hall, and health office.

THE STAFF

Our staff consists of highly enthusiastic counselors, camp instructors, and program coordinators. Our counselors are college-age adults who have completed our JC program. The entire staff works to ensure that every camper can explore their imagination and creativity in a safe and friendly environment.

Now that 2024 is winding down it's time to start looking ahead to see what Summer Camp 2025 will have in store for you! All of our staff hopes you are excited for this summer's new themes! To sign up for a session, register online at foothillhorizons.com. Below is an update from your favorite Summer Camp staff members! Enjoy!
