SUSTAINABILITY TARGETS AND STRATEGIES

After this meeting, the draft plan will be developed and incorporated into the CEQA process and presented to the City Council and the School Board. They will decide which housing option to pursue. There will be ongoing opportunities to stay engaged and informed during the coming months. Stay up to date on the project page at pausd.org/cubberleycodesign

After Action Review

1. Please list 3 positive outcomes of this meeting.

2. What are your concerns?

3. Do you have suggestions for improvements?

4. How would you explain in 2 sentences what we have accomplished at this meeting?

Phasing

Do you see potential issues with how the buildings are phased in that need to be addressed? Are there special considerations that need to be accounted for?

**Write any additional comments/concerns on the back.*

Sustainability Targets

What other aspects of site health and sustainability should be addressed in the master plan?

Do you have any questions about this sustainability plan that should be clarified in the plan?

**Write any additional comments/concerns on the back.*

Four Housing Options

Among the four housing options, which is your preference?

Option 1 ○ Option 2 ○ Option 3 ○ Option 4 ○

Would you prefer an alternate to Option 3 that included housing over Cubberley shown in Option 4 but not the tower near the gyms? Why or why not?

What suggestions do you have about how housing is distributed? Would you add housing in some areas in exchange for less in others?

**Write any additional comments/concerns on the back.*

Site Organization

Does the organization of the **outdoor** spaces work well?

Not at all (1) (2) (3) (4) (5) Absolutely!
