- Indicates there are no students in the group.

* Indicates results are masked due to small numbers to protect student confidentiality.

? Indicates that the data for this item were statistically improbable or were reported outside a reasonable range.

‡ Beginning with 2022-23 graduates, special education students that graduated with the advanced diploma are classified as college ready. As a result, only one year of data is shown because previous years' data is not comparable.

- Indicates there are no students in the group.

* Indicates results are masked due to small numbers to protect student confidentiality.

? Indicates that the data for this item were statistically improbable or were reported outside a reasonable range.

‡ Beginning with 2022-23 graduates, special education students that graduated with the advanced diploma are classified as college ready. As a result, only one year of data is shown because previous years' data is not comparable.

- Indicates there are no students in the group.

* Indicates results are masked due to small numbers to protect student confidentiality.

? Indicates that the data for this item were statistically improbable or were reported outside a reasonable range.

‡ Beginning with 2022-23 graduates, special education students that graduated with the advanced diploma are classified as college ready. As a result, only one year of data is shown because previous years' data is not comparable.

- Indicates there are no students in the group.

* Indicates results are masked due to small numbers to protect student confidentiality.

? Indicates that the data for this item were statistically improbable or were reported outside a reasonable range.

‡ Beginning with 2022-23 graduates, special education students that graduated with the advanced diploma are classified as college ready. As a result, only one year of data is shown because previous years' data is not comparable.

- Indicates there are no students in the group.

* Indicates results are masked due to small numbers to protect student confidentiality.

? Indicates that the data for this item were statistically improbable or were reported outside a reasonable range.

‡ Beginning with 2022-23 graduates, special education students that graduated with the advanced diploma are classified as college ready. As a result, only one year of data is shown because previous years' data is not comparable.

- Indicates there are no students in the group.

* Indicates results are masked due to small numbers to protect student confidentiality.

‡ Indicates that the data for this item were statistically improbable or were reported outside a reasonable range.

‡ Beginning with 2022-23 graduates, special education students that graduated with the advanced diploma are classified as college ready. As a result, only one year of data is shown because previous years' data is not comparable.

- Indicates there are no students in the group.

* Indicates results are masked due to small numbers to protect student confidentiality.

? Indicates that the data for this item were statistically improbable or were reported outside a reasonable range.

‡ Beginning with 2022-23 graduates, special education students that graduated with the advanced diploma are classified as college ready. As a result, only one year of data is shown because previous years' data is not comparable.

- Indicates there is no data for the item.

* Indicates results are masked due to small numbers.

** When only one student disability or assessment group is masked, then the second smallest student disability or assessment group is masked regardless of size.

n/a Indicates data reporting is not applicable for this group.

? Indicates that the data for this item were statistically improbable or were reported outside a reasonable range.
