School Goals

Our school goals focused on increasing student academic achievement and student engagement through hands on experiences, place based learning, integration of subjects and habits of mind. The addition of an integrated technology/engineering center as well as our makers lab have led to an increase in student learning and engagement as well as a positive school culture for all students.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Parents, students and the community will feel welcomed and supported as partners in our student's education. Working in collaboration with our PTO, community organizations, and parents, enriching learning experiences and an exhibition of student learning was accomplished. We continue to strive for a positive school culture inclusive of all learners and stakeholders.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

It is everyone's responsibility to take steps to stop bullying behavior. Jewett staff does not tolerate conduct that undermines a person's right to feel safe, respected, and learn. Bullying and harassment concerns are addressed with two main goals in mind: to maintain safety and order and to teach the skill(s) needed to prevent the unwanted behavior from reoccurring. School safety is a priority for our school campus. Staff training in crisis situations through the ALICE program and collaboration with our school resource officer continues to guide our preparation to protect students.
