

The Purpose of this Addendum is to **provide questions and responses to RFP YR-207581 Public Announcement and Sound System Repair Services.**

1. Approximately how many schools will be receiving these services? **This RFP may cover all schools within the district.**
2. What campuses need after-hours maintenance? **This will be requested on an as needed basis.**
3. Could you provide a list of schools and stadiums that need repairs? **This information will be determined on an as needed basis.**
4. Is there a 2-year renewal option after the 3-year awarded term? **No.**
5. Are any of the schools under maintenance agreements? **No.**
6. Can a list be provided with those systems that currently have annual maintenance agreements assigned and those schools/stadiums needing repairs so we can ensure we have the proper infrastructure in place to sustain this RFP? **There are no maintenance agreements in place at this time.**
7. How long are the agreements? **There are no maintenance agreements in place at this time.**
8. In past contracts awarded to DISD, it was sometimes more cost effective to replace the PA system or entire sound system rather than perform repairs, especially when parts were discounted or difficult for the subcontractor to source. Will this apply to this RFP? **No, this RFP is only for repair services.**
9. Please send the Excel spreadsheet on the last page of the RFP. **The Excel spreadsheet does not apply to this RFP as it is for the punch out process.**
