OUR HISTORY

Bartlett High School, part of the Bartlett City Schools system, serves students in grades 10-12 of the incorporated city of Bartlett, Tennessee. Bartlett High, formerly Nicholas Blackwell High School, has existed on this site since 1917 and encompasses 21 acres. 686 freshmen attend the Bartlett Ninth Grade Academy, which was established in July 2014, as part of the newly formed Bartlett City Schools. The estimated population of Bartlett is 57,000 and Bartlett High School, home of the Panthers, combined with the Ninth Grade Academy, is currently the second largest 9-12 high school by enrollment in the State of Tennessee with a total population of 2,791 students.

GPA, CLASS RANK & ACADEMIC HONORS

The school year consists of 175 days divided into 4 nine-weeks grading periods. The school day is divided into six 49-minute classes and one 100-minute class.

As of the 2022-23 school year, the numerical grading system is as follows (prior to the 2022-23 school year, a D = 65-69 and F = below 65):

A = 90 – 100
B = 80 – 89
C = 70 – 79
D = 60 – 69
F = below 60

- 3 points are added to Honors, 4 points are added to State Dual Credit (SDC) courses, and 5 points are added to Advanced Placement (AP) and Dual Enrollment (DE) courses. Prior to the 2024-2025 school year, Dual Enrollment courses had 4 points added.

- Rank is calculated by weighted GPA. The weighted GPA is calculated as follows: +1.0 for AP and DE courses; +0.75 for SDC courses; +0.5 for Honors courses.

- Final senior rank is determined after the 7th semester.

Students may graduate with Honors, meaning they have scored at or above the college readiness benchmarks on the ACT or SAT.

Students may also graduate with Distinction, meaning a B average has been earned *and* at least one of the following additional honors has been received: participation in Governor's School; participation in one of the state's All-State musical programs; be selected as a National Merit Semi-Finalist or Finalist; attain a 31 composite score or higher on the ACT; attain a score of 3 or higher on two or more AP exams; earn 12 or more hours of post-secondary credit; earn a nationally recognized industry certification.
