

## Acknowledgment of Student Handbook

Welcome to the Kosciusko School District! We are dedicated to creating a safe, respectful, and productive learning environment for all students. As part of this commitment, we have compiled a comprehensive student handbook that outlines our school's policies, procedures, and expectations. The student handbook is available online at [www.kosciuskoschools.com](http://www.kosciuskoschools.com). We strongly encourage both parents and students to review and familiarize themselves with the contents of the handbook. Please indicate your acknowledgment below:

- Yes: I know where the student handbook is located and understand it contains important information about the school's policies, procedures, and expectations.
  - No: I do not know where the student handbook is located and do not understand it contains important information about the school's policies, procedures, and expectations.
- 

## Permission to Photograph/Video

As part of the Kosciusko School District's activities, students may be photographed and/or videotaped during the school year at school and/or school-sponsored events. These photographs and videos may be released in the media or published on the district's website and/or the school's web page. Please indicate your preference below:

- Yes: I give Kosciusko School District permission to photograph/videotape my child.
  - No: I do not give Kosciusko School District permission to photograph/videotape my child.
- 

## Permission to Administer Corporal Punishment

The Kosciusko School District student handbook states: "As a matter of board policy, appropriate corporal punishment of a student is permitted as a disciplinary measure in order to preserve an effective educational environment which is free from disruption and is conducive to furthering the educational mission of the board." Corporal punishment is permitted as a disciplinary measure only with parental/guardian permission. Please indicate your preference below:

- Yes: I give Kosciusko School District permission to administer corporal punishment to my child.
  - No: I do not give Kosciusko School District permission to administer corporal punishment to my child.
