 - Parents/Guardians Association subscription for PASCAL Kindergarten/PASCAL Primary School is paid separately.

6. Parents/guardians of continuing pupils are required to reserve places for the upcoming academic year by 31st January 2025. Places must be reserved during the period stipulated with the amount of €750. This amount will be deducted from the total amount of €2,700 which is payable on registration for the upcoming academic year (see note 2 above).
7. The cost for the school uniform, the books (excluding the ones provided for free by the Cyprus Ministry of Education, Sport and Youth), the school transportation, the extra-curricular activities and the participation in competitions, conferences, etc. is not included in this pricelist. More information regarding these costs can be obtained from the school reception.
8. ^{*2} Optional Extended Day Programme:
 - Academic/Homework Support: The subjects taught are Mathematics, Science, English and Greek/Greek as a Foreign Language (GFL). Mathematics is taught two times a week whereas Science, English and Greek/GFL are each taught once a week. Pupils may choose to follow only one subject once a week, and the fee is €215 p.a.
 - External Exams Support Lessons: The purpose of these lessons is solely to maximize pupil performance on their external exams.
 - Afternoon Activities (new as of September 2025): Pupils may choose to follow as many days as they wish or combined with Academic/Homework Support or External Exams Support Lessons. The fee for one Afternoon Activity once a week is €190 p.a.
9. ^{*3} Excursions: The excursions charge relates to the transportation cost only. Any other related costs (e.g. entrance fee, food) are payable separately.
10. The fee for the external examinations depends on the subject/level/examination body and is charged separately.
11. Fees can be settled via credit card, JCC Smart, wire transfers, monthly instalments by credit card or standing order.
12. Tuition and other fees are reviewed annually. Any possible increment on the Tuition Fees and the Registration Fee has a cap of 8% on the fees of each Year for an academic year. For continuing and new pupils in Years 3, 4, 5 and 6 the cap is 5%.
13. Reservation Fee, Registration Fee, Tuition Fees, Parents/Guardians Association subscription and Athletic Section Fee are not refundable under any circumstances as they guarantee (represent a deposit) a pupil's attendance at school for at least one academic year. Hence, this is not simply an advance fee payment.
14. The inability to continue with school lessons, for whatever reason, does not exempt the parent/guardian/pupil from the obligation to pay the school fees for the whole academic year. Any balance of fees due upon the departure of a pupil from the school, irrespective of the date of departure, must be paid in full. In the event that fees of a pupil were paid in full and the pupil ceases to attend the school, no refund is applicable. The departure of any pupil in no way minimizes the school's running costs.
15. A Late Payment Penalty Fee of €50 per month applies if the payment is not made by the applicable instalment deadline.
16. The school has the right to withdraw scholarships, monetary prizes or discounts in case the fees are not paid by the applicable instalment deadline.
17. The Teachers Council has the right to withdraw scholarships, monetary prizes or discounts in case of serious disciplinary incident or disciplinary infringement.
18. For those pupils whose fees are met partially or in total by the Cyprus Government (such as Maronites, Armenians, Latins, repatriated Cypriots, Turkish-Cypriots and so on), it is the obligation of the parents/guardians/pupils to settle the school fees according to the applicable deadlines irrespective of when the subsidy is received from the Government.
19. Enrolment in the subsequent academic year will be accepted only once the due fees and other financial obligations have been settled.
