District 77 Policy 616

616 EDUCATIONAL RESEARCH

I. PURPOSE

The purpose of this policy is to establish the authority to work with other organizations on educational research.

II. GENERAL STATEMENT OF POLICY

The school board recognizes the value of educational research in developing, validating, and standardizing new programs and strategies in education. It is our policy to cooperate as far as possible with colleges, universities, and other responsible parties to promote potentially beneficial research. Such research shall not, however, unduly interfere with the normal operation of the schools, nor infringe upon the privacy of employees and students. Guidelines shall be developed by the administration to implement this policy.
