

Dear Families,

I would like to take this opportunity to introduce myself. My name is David Janicki-Howe, and I am honored to be the new principal of Kaegebein Elementary School. I am eager to join the amazing community of teachers, staff, students, and families that makes Kaegebein such a special place.

With 20 years of experience in education, I have spent most of my career teaching grades 3 to 5. This past summer, I had the pleasure of meeting some of the dedicated staff and amazing students from Kaegebein while serving as the summer school administrator. These interactions only heightened my excitement about becoming part of this wonderful community.

As I step into this new role, I am filled with enthusiasm for the opportunities ahead. I am committed to fostering a positive and inclusive environment where every child feels valued and empowered to learn. I believe that strong partnerships between home and school are essential to our students' success, so please feel free to reach out and share your thoughts about what makes Kaegebein special to you and your family.

I am excited to embark on this journey together and look forward to getting to know each of you as the year progresses. Together, we can make this a fantastic year for our students!

Warm Regards,

*Mr. Howe*

David Janicki-Howe, Principal  
Kaegebein Elementary School
