## Don't miss this unique orchestral experience!

The ASAP! Youth Ensemble brings together a community of young musicians from northwest CT to refine their orchestral abilities, engage in creative composition, attend a field trip, and perform on stage.

Teaching artists James and Krystyana Czeiner—both accomplished musicians, Juilliard alumni, and Grammy recipients—steer an enriching musical experience where you'll enhance your understanding and love for orchestral works, and increase your skills through innovative techniques.

Exciting opportunities will be offered throughout the program, such as a collaborative painting project, a trip to see the NYC Pops, and performances for friends, family, and the public.
