StormHawks Wrap Around Care is a group care program designed to provide quality, supportive experiences for students and their families. We maintain an average ratio of one staff member for every 10 students, ensuring personalized, hands-on care while fostering meaningful relationships with the families we serve.

Inclusive and Supportive Environment

We are committed to creating an inclusive environment where every child can thrive. Reasonable accommodations are provided for students with special needs, and our rooms are tailored to support the success of all learners.

Please note that specific special education services, including one-on-one paraprofessional support, are only provided during preschool class time and are not available during Wrap Around Care programming.

Our goal is to offer a safe, engaging, and nurturing environment that complements the unique needs of each child.

Lunch and Snack

Thanks to the Free School Meals bill, breakfast and lunch are provided at no cost to families during the 2025–2026 school year. A daily snack is also included in the Wrap Around Care fee.

Daily Programming Components

Our daily programming is designed to include a variety of activities and experiences that support children's growth and development. These include:

- **Free Choice:** Opportunities for children to explore and engage in activities of their own interest.
- **Planned Activities:** Structured learning experiences that promote skill-building and creativity.
- **Staff-Led Games:** Interactive and fun games facilitated by our staff.
- **Movement:** Activities designed to encourage physical activity and gross motor development.
- **Art:** Creative projects that inspire imagination and self-expression.
- **STEM:** Hands-on activities that foster curiosity in science, technology, engineering, and mathematics.
- **Outdoor Play:** Time spent enjoying fresh air, exploring nature, and engaging in active play.

Rest and Relaxation

Both nap time and quiet rest time are integral parts of our day.

- For students who wish to nap, we provide cots in a dark, quiet room to ensure a restful environment.
- For students who have transitioned out of napping, quiet activities such as reading, coloring, or working on puzzles are available to help them recharge.

Wrap Around Care at Elementary Locations

We are excited to offer preschool with Wrap Around Care at three elementary schools for the 2025-2026 school year. This program is designed specifically for 4-year-olds preparing to enter Kindergarten the following year. Preschool classes run Monday through Friday and are complemented by our Before and After School Care programming.

Choose a schedule that works for you, with options to enroll your child in Wrap Around Care for 3 to 5 days per week. This integration provides convenient childcare right at school while enriching their preschool experience.

- Hands-on learning activities
- Opportunities for social skill development
- Fun-filled play and exploration

Enrollment Requirements

Please note that in our elementary school preschool programs, Wrap Around Care is a required component of your child's enrollment.
