- Foxcroft Equestrian Camp is designed for students who have prior experience riding which is appropriate to the level of horses that we can provide and the level of groups that we will be teaching.
- Equestrian Camp Applications will be reviewed and students will be accepted into the Camp session based on whether a suitable horse and group is available to match that rider's experience level.
- Applications will be accepted until April 1, 2025 and camp acceptances will be determined and communicated no later than April 15, 2025. Applications submitted after April 1 will be considered as space allows.
- Enrollment in the Equestrian Camp is limited and completion of online registration (including payment) and submission of this application, does not guarantee availability of the requested Equestrian Camp session.
- It is not guaranteed that a person who has returned a completed application will be accepted into the Equestrian Camp. Acceptance is based on a student's being qualified to participate in Camp.
- Camp Applicants **MUST** submit a video of themselves riding taken within the last three months to be considered. Videos of both flatting and jumping are preferred if you have them. Applications received without videos will not be reviewed.

**The Camp Office will contact you via email to inform you of the status of your application, acceptance and session placement.**
