A link to Family Access can be found on the school district's website at <http://www.cheneysd.org>.

If your child has a food allergy, it must be listed on the child's school health form and a note sent to the district nurse. A physician's note or signature is required for diet modifications.

**Safe Celebrations**

Cheney Public Schools has a district policy regarding classroom parties and school-wide events. Under this policy, treats that are high in sugar and calories will not be offered to students during school hours. Examples of treats that will not be consumed as part of classroom celebrations include candy, cake (including cupcakes), regular fat potato chips, soda and other sugar-based drinks.

In addition:

- Food designated for group consumption by students during the school day must be free of nuts, nut products, and must not be manufactured in a plant that processes nuts.
- All food brought into the school for group consumption by students during the school day must be commercially prepared and clearly labeled with ingredients. **Please read labels carefully before bringing them to school.**

***Please be assured we support celebrations. We simply need to ensure our students remain safe at school. Thank you for your understanding and cooperation.***

Each student must have a completed Certificate of Immunization Status form on file at school or present one prior to admission. The month, day, and year of each dose of Diphtheria-Tetanus-Pertussis (DTaP-Td-Tdap), either oral or injected trivalent Polio Vaccine (OPV or IPV), Varicella, Hepatitis B, MMR (measles, rubella [German Measles], and mumps) is required. Exemptions from the requirements are medical, religious, or personal. For information about immunizations, please call the Spokane County Health Department at 324-1600.

### Medication

Students are not allowed to self carry/administer medication unless one of the following requirements are complete:

#### **Medication to be Administered at school:**

If a student is to receive medication of any kind at school or school sponsored events, **the parent/guardian and the licensed healthcare provider (LHP) must complete the "Request for Medication" form #955, available online, from the school health room aide or the secretary.** The form must accompany the medication, and be signed by both the LHP and the parent/guardian. Parents/guardians are responsible for providing medication in the original container labeled with the student's name, the LHP's name, medication, time and dosage to be given. Please obtain a second bottle for this purpose that can be sent to school. **Medication sent to school in a baggie or lunch box is unacceptable.**

#### **Parent/Guardian Prescribed Over-the-Counter Medication:**

The school will consider the symptomatic benefits of self-prescribed over the counter medications. These medications are "prescribed" by parents/guardians who desire to facilitate their children's medical recovery and return to the school setting. In accordance with the American Academy of Pediatrics Committee on School Health recommendations: students will be allowed to self-medicate at school with over-the-counter medications, when the parent/guardian has provided an appropriate note to the school specifying the medication, the amount to be taken, the time it is to be taken, and the reason. The note must include a statement relieving the school of any responsibility for the benefits or consequences of the medication when it is parent prescribed and self-administered and acknowledges that the school bears no responsibility for assuring that the medication is taken. (A template is available on the district website: under health forms)

The school will retain the note as a permanent part of the student's health record and the student must carry a copy of the note with the medication. Students will be allowed to have no more than a one-day supply of the requested medication on hand, in the original container. The note authorizing self-medication can cover a period of time of not more than 2 weeks. The school reserves the right to require a LHP statement for continued use of any medication. The

school will restrict the availability of the medication from other students, with immediate confiscation of the medication and loss of privilege to self-medicate if the policy is abused or ignored.

### **Guidelines for Children with Life-Threatening Conditions**

Prior to attendance at school or school related activities each school year, each child with a life-threatening health condition will present a medication or treatment order addressing the condition. A life-threatening health condition means a condition that will put the child in danger of death during the school day if a medication or treatment order providing authority to a registered nurse and nursing plan are not in place. Following submission of the medication or treatment order, a nursing plan will be developed.

It is vital to your child's safety during the school day that if your child has a life-threatening health condition that may require medical services to be performed at school, you must immediately notify your school's principal or school nurse. The necessary forms will be provided and a time will be arranged for you to meet with your child's school nurse.

Students may not attend/begin attending school until a health care plan is in place. Examples of life-threatening conditions are: diabetes, severe allergies, heart conditions, asthma, seizures, etc. with emergency medication. More information and assistance is available from the building nurse or health assistant at 509-559-4014.

### **When to Keep Your Child Home from School**

In the school environment, students have increased physical contact with each other. Germs can spread rapidly under these conditions. Parents are asked to keep students home that have the following conditions:

- A fever at or above 100 degrees in the last 24 hours. Your child may return to school if their temperature is below 100 degrees without taking fever-reducing medication in the last 24 hours.
- A consistent, goopy, runny nose that your child cannot control or take care of by themselves.
- White, yellow or green drainage from the eye, crusty eyes and/or redness of the eyelid, white part of the eye (sclera) or skin surrounding the eyes.
- A bad cough- one that you wouldn't want your well child around.
- A sore throat, especially with a fever or swollen glands in the neck.
- Shortness of breath or problems with normal breathing.
- A child that is acting ill-unusually tired, pale, difficult to wake, headache, body aches, confused or irritable. And/or lack of normal appetite.
- An unidentified rash whether or not it is associated with a fever/itching. A spreading rash.
- If your student has an upset stomach with abdominal cramping, nausea, or persistent vomiting or diarrhea.
- Your child will need to remain home for at least 24 hours after starting antibiotics. Your healthcare provider may require more time.
- A child with chickenpox may return to school after all the sores have crusted over and there are no new eruptions or sores. (usually a minimum of 5 days)
- Live lice

### **Attendance Procedures**

The staff, administration, and parents of Cheney High School expect students to be in class every day. Teachers plan valuable and important lessons daily. ***When students are absent, they miss vital learning experiences make-up work cannot fully replace.***

If a student is going to be absent or late for any reason, the parent ***must inform the school of the reason for absence*** either in writing or by calling 559-4002 before or preferably within 48 hours of the absence.

Washington State Law specifies that parents have primary responsibility for ensuring their children attend school regularly and punctually. Regular attendance is essential for school success. Please see Cheney Public Schools Policy [No. 3122](#) for further details regarding student absences. This policy is available on the district website.

### **Arriving/Leaving Campus**

CHS is a closed campus during the school day. 11<sup>th</sup> and 12<sup>th</sup> grade students who are eligible based on attendance, grades and behavior will be able to apply for a Lunch License to leave campus during lunch. Applications will be available in September.

For the safety and security of the students of Cheney High School, *all students arriving after school begins or leaving campus before school ends are required to check in and out with the office staff.* Students leaving without parent and school consent will be considered truant and may be subject to discipline. Students may not leave during a class period unless they have a dismissal slip from the office.

### **Absences**

**Definition:** Students are absent when they are:

1. Not physically present on school grounds; and
2. Not participating in the following activities at an approved location:
  - a. Instruction
  - b. Any instruction-related activity; or
  - c. Participating in district-sponsored sports or school activities.
3. A full day of absence is when a student is absent for 50 percent or more of their scheduled day.

Students who are absent from school are required to have written verification or a phone call to the attendance office (559-4002) from the parent or guardian. Parents should notify the attendance office the day of the student's absence to inform the school about the nature of the absence.

**Excessive Absences:** Absences, excused or unexcused, in excess of 15% of the total school days thus far in the current school year require a note from a doctor to be considered excused.

**Excused Absences:** Absences that fit within one of the following categories, and for which the parent/guardian has called (559-4002) or provided written notification to the attendance office, preferably within 48 hours of the absence. The teacher will provide make-up work for excused absences.

**Excused Absences, Continued:** Students must contact teachers about make-up work and complete it within a reasonable length of time. Students who fail to do so will forfeit the opportunity for make-up work. At CHS, a reasonable length of time means one day for each day absent. For example, a student who is absent for two days has two school days after he/she returns to make up the work, including a review prior to a test or quiz. Students may appeal to the principal or assistant principal for exceptions.

**Pre-Arranged Absences:** Absences pre-arranged with the office. Prior to a pre-excused absence, students are expected to check in with their teachers to discuss make-up work. Failure to do so may result in the loss of credit for missed work.

### **Hall Passes**

*Students will be expected to remain in class the entire period.* Class time will not be spent at lockers, cars, restrooms, vending machines, drinking fountains, or in the halls. When a student is appropriately out of class during class time, *they must sign out in the classroom with the teacher and be carrying a visible hall pass.*

### **Tardiness**

**Definition:** Late arrival to class or school. Students are expected to be prompt in getting to school on time each morning and must report to each class on time. Tardiness will be recorded by the teachers. First interventions for tardiness will be implemented by the teacher. After teacher interventions, a student may be referred to the office.

**Discipline may include:** Parent Conference, Lunch ISI, or other administrator determined interventions.

### **Unexcused Absence/Truancy**

**Definition:** The student is absent from school without permission, or is absent from class without the teacher's permission. *Students who leave class or school without prior permission provided to the office by a parent or guardian will be considered truant.*

**RCW 28A.225.030:** The district shall no later than the fifth unexcused absence in a month:

1. Enter into an agreement with a student and parent that establishes school attendance requirements.
2. Refer a student to a community truancy board. The community truancy board shall enter into an agreement with the student and the parent that establishes school attendance requirements and take other appropriate actions to reduce the child's absences (WARNS); or
3. File a petition with the juvenile court alleging a violation of RCW 28A.225.010.

#### **Homeless Assistance**

If you lose your housing and live in a shelter, motel, vehicle, camping ground, or temporary trailer; on the street; doubled-up with family or friends; or in another type of temporary or inadequate housing, your child might be able to receive help through a federal law called the McKinney-Vento Act.

District Liaison: Kim Lefler (509) 559-4532.

State Coordinator: Melinda Dyer, (360) 725-6050.

Under the McKinney-Vento Act, children and youth in homeless situations have the right to:

- Go to school, no matter where they live or how long they have lived there.
- Attend either the local school or the school of origin, if this is in their best interest; the school of origin is the school the child attended when he/she was permanently housed or the school in which the child was last enrolled.
- Receive transportation to and from the school of origin.
- Enroll in school immediately, even if they are missing records and documents normally required for enrollment, such as a birth certificate, proof of residence, previous school records, or immunization/medical records.
- Enroll, attend classes, and participate fully in all school activities while the school gathers records.

- Have access to the same programs and services that are available to all other students, including transportation and supplemental educational services.
- Attend school with children not experiencing homelessness; a school may not segregate a student because he or she is homeless.

### **ID Cards/ASB Stickers**

All students are issued an identification card free of charge. Students who lose their ID card may obtain a replacement from the business office for \$5.00.

Students are encouraged to take part in and/or attend school activities. ASB stickers are required for all students who participate in athletics or activities supported by ASB funds, as per the ASB Constitution. ASB stickers may be purchased at the business office before or after school. Revenue obtained from the sale of ASB stickers is used to finance activity and athletic programs. An ID card **with** an ASB sticker gains you admittance to all GSL League regular season events.

### **Library**

The Cheney High School library is open from 7:30 a.m. to 3:30 p.m. every school day. The library staff is ready and able to help you find the materials you need for your various projects.

Students are responsible for the care and contents of lockers. Any change of locker assignment must be cleared through the attendance secretary. If your locker does not operate properly, contact the office. **Do not bring high value items to school.** Keep your locker locked at all times. Be sure to spin the dial when you close it. Only school issued locks may be used to secure lockers. You must immediately report damage done to your locker to the office. If you fail to report, you may be held responsible for compensation of any damage. Lockers are district property, subject to search or investigation.

### **Lost And Found**

Any articles found on the premises should be brought to the Counseling Office.

Cheney High School's discipline policy is designed to provide a safe and healthy environment for our students. ## Our Schools Protect Students from Harassment, Intimidation, and Bullying (HIB)

Schools are meant to be safe and inclusive environments where all students are protected from Harassment, Intimidation, and Bullying (HIB), including in the classroom, on the school bus, in school sports, and during other school activities. This section defines HIB, explains what to do when you see or experience it, and our school's process for responding to it.

### What is HIB?

HIB is any intentional electronic, written, verbal, or physical act of a student that:

- Physically harms another student or damages their property;
- Has the effect of greatly interfering with another student's education; or,
- Is so severe, persistent, or significant that it creates an intimidating or threatening education environment for other students.

HIB generally involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated. HIB is not allowed, by law, in our schools.

### How can I make a report or complaint about HIB?

**Talk to any school staff member** (consider starting with whoever you are most comfortable with!). You may use our district's reporting form to share concerns about HIB ([HIB FORM](#)) but reports about HIB can be made in writing or verbally. Your report can be made anonymously, if you are uncomfortable revealing your identity, or confidentially if you prefer it not be shared with other students involved with the report. No disciplinary action will be taken against another student based **solely** on an anonymous or confidential report.

If a staff member is notified of, observes, overhears, or otherwise witnesses HIB, they must take prompt and appropriate action to stop the HIB behavior and to prevent it from happening again. Our district also has a HIB Compliance Officer (Tom Arlt, (509) 559-4502) that supports prevention and response to HIB.

### What happens after I make a report about HIB?

If you report HIB, school staff must attempt to resolve the concerns. If the concerns are resolved, then no further action may be necessary. However, if you feel that you or someone you know is the victim of unresolved, severe, or persistent HIB that requires further investigation and action, then you should request an official HIB investigation.

Also, the school must take actions to ensure that those who report HIB don't experience retaliation.

### What is the investigation process?

When you report a complaint, the HIB Compliance Officer or staff member leading the investigation must notify the families of the students involved with the complaint and must make sure a prompt and thorough investigation takes place. The investigation must be completed within 5 school days, unless you agree on a different timeline. If your complaint involves circumstances that require a longer investigation, the district will notify you with the anticipated date for their response.

When the investigation is complete, the HIB Compliance Officer or the staff member leading the investigation must provide you with the outcomes of the investigation within 2 school days. This response should include:

- A summary of the results of the investigation
- A determination of whether the HIB is substantiated
- Any corrective measures or remedies needed
- Clear information about how you can appeal the decision

### What are the next steps if I disagree with the outcome?

#### **For the student designated as the “targeted student” in a complaint:**

If you do not agree with the school district’s decision, you may appeal the decision and include any additional information regarding the complaint to the superintendent, or the person assigned to lead the appeal, and then to the school board.

#### **For the student designated as the “aggressor” in a complaint:**

A student found to be an “aggressor” in a HIB complaint may not appeal the decision of a HIB investigation. They can, however, appeal corrective actions that result from the findings of the HIB investigation.

For more information about the HIB complaint process, including important timelines, please see the district’s [HIB webpage](#) or the district’s *HIB Policy [3207]* and *Procedure [3207P]*.

## Our School Stands Against Discrimination

Discrimination can happen when someone is treated differently or unfairly because they are part of a **protected class**, including their race, color, national origin, sex, gender identity, gender expression, sexual orientation, religion, creed, disability, use of a service animal, or veteran or military status.

### What is discriminatory harassment?

Discriminatory harassment can include teasing and name-calling; graphic and written statements; or other conduct that may be physically threatening, harmful, or humiliating. Discriminatory harassment happens when the conduct is based on a student’s protected class and is serious enough to create a hostile environment. A **hostile environment** is created when conduct is so severe, pervasive, or persistent that it limits a student’s ability to participate in, or benefit from, the school’s services, activities, or opportunities.

To review the district’s *Nondiscrimination Policy [3210]* and *Procedure [3210P]*, visit [\[CSD\]](#).

### What is sexual harassment?

**Sexual harassment** is any unwelcome conduct or communication that is sexual in nature and substantially interferes with a student’s educational performance or creates an intimidating or hostile environment. Sexual harassment can also occur when a student is led to believe they must submit to unwelcome sexual conduct or communication to gain something in return, such as a grade or a place on a sports team.

Examples of sexual harassment can include pressuring a person for sexual actions or favors; unwelcome touching of a sexual nature; graphic or written statements of a sexual nature; distributing sexually explicit texts, e-mails, or pictures; making sexual jokes, rumors, or suggestive remarks; and physical violence, including rape and sexual assault.

Our schools do not discriminate based on sex and prohibit sex discrimination in all of our education programs and employment, as required by Title IX and state law.

To review the district’s *Sexual Harassment Policy [3205]* and *Procedure [3205P]*, visit [\[CSD Policy and Procedures\]](#).

### What should my school do about discriminatory and sexual harassment?

When a school becomes aware of possible discriminatory or sexual harassment, it must investigate and stop the harassment. The school must address any effects the harassment had on the student at school, including eliminating the hostile environment, and make sure that the harassment does not happen again.

### What can I do if I'm concerned about discrimination or harassment?

**Talk to a Coordinator or submit a written complaint.** You may contact the following school district staff members to report your concerns, ask questions, or learn more about how to resolve your concerns.

#### **Concerns about discrimination:**

Civil Rights Coordinator: Tom Arlt, Assistant Superintendent  
12414 South Andrus Road, Cheney, WA 99004; Phone: (509) 559-4502

#### **Concerns about sex discrimination, including sexual harassment:**

Title IX Coordinator: Tom Arlt, Assistant Superintendent  
12414 South Andrus Road, Cheney, WA 99004; Phone: (509) 559-4502

#### **Concerns about disability discrimination:**

Section 504 Coordinator: Franklin Day, Director of Student Support Services  
12414 South Andrus Road, Cheney, WA 99004; Phone: (509) 559-4507

#### **Concerns about discrimination based on gender identity:**

Gender-Inclusive Schools Coordinator: Tom Arlt, Assistant Superintendent  
12414 South Andrus Road, Cheney, WA 99004; Phone: (509) 559-4502

To **submit a written complaint**, describe the conduct or incident that may be discriminatory and send it by mail, fax, email, or hand delivery to the school principal, district superintendent, or civil rights coordinator. Submit the complaint as soon as possible for a prompt investigation, and within one year of the conduct or incident.

### What happens after I file a discrimination complaint?

The Civil Rights Coordinator will give you a copy of the school district's discrimination complaint procedure. The Civil Rights Coordinator must make sure a prompt and thorough investigation takes place. The investigation must be completed within 30 calendar days unless you agree to a different timeline. If your complaint involves exceptional circumstances that require a longer investigation, the Civil Rights Coordinator will notify you in writing with the anticipated date for their response.

When the investigation is complete, the school district superintendent or the staff member leading the investigation will send you a written response. This response will include:

- A summary of the results of the investigation
- A determination of whether the school district failed to comply with civil rights laws
- Any corrective measures or remedies needed
- Notice about how you can appeal the decision

### What are the next steps if I disagree with the outcome?

If you do not agree with the outcome of your complaint, you may appeal the decision to [Tom Arlt, Assistant Superintendent, Phone: (509) 559-4502] and then to the Office of Superintendent of Public Instruction (OSPI). More information about this process, including important timelines, is included in the district's Nondiscrimination Procedure ([3210P](#)) and Sexual Harassment Procedure ([3205P](#)).

### I already submitted an HIB complaint – what will my school do?

Harassment, intimidation, or bullying (HIB) can also be discrimination if it's related to a protected class. If you give your school a written report of HIB that involves discrimination or sexual harassment, your school will notify the Civil Rights Coordinator. The school district will investigate the complaint using both the Nondiscrimination Procedure ([3210P](#)) and the HIB Procedure ([3207P](#)) to **fully resolve your complaint**.
