

# Family Literacy Activities

## January

1

### Alphabet Art

Create letters and sight words using different colored writing utensils or materials. Discuss the letter and the sound it makes or create sentences using sight words.

### Sound Sorting

Sort objects by their starting sounds. Sort household objects such as canned goods, etc. Discuss how items are sorted based on the beginning letter or sound.

2

3

### Playdough Letters

Shape letters and words using playdough. Discuss the letter sounds or words created.

5

### Letter Leaping

Place letters on the floor and leap to the correct letter called out. Spell words with letters or sounds.

### Story Creation

Write a story using words that focus on specific letters and/or sounds of letters or write short stories using sight words.

6

7

### Family Letter Night

Each family member takes a turn sharing words that start with a letter. Make a list and read each other's lists of words for fun.

### TechyTips

Use apps focused on letters and sounds for interactive learning. Your child's school may have programs that can be used.

8

9

### Letter Journals

Keep a journal of words learned each week. Read those words regularly and write short, fun stories using them.

### Winter Fun

Use "snow" to create letters outside or whipped cream to make letters and/or words on a plate for a tasty treat!
