

# Winter Wellness Fair 2024

Under the leadership of our amazing McKinney-Vento Homeless Liaison and Family Resource Center (FRC) Coordinator, Judy Stencel, the 2024 PUSD Winter Wellness Fair was a huge success! Records were broken as we were able to provide holiday gifts for over 147 PUSD students in need, ranging in age from preschool to high school. Families visited the FRC on Saturday, December 14th to pick up their gifts, coats, shoes, blankets, and to connect with other important community resources. Santa was there to greet kids, pose for photos, and pass out candy canes. A big thank you to the many churches, community organizations/businesses, PUSD staff members, PUSD nurses, and individuals throughout our community for generously donating their time and money to make Christmas a merry time for everyone! This was truly a team effort - and what a team we have here in Prescott!
