Fridays when classes are in session

The district's hybrid calendar switches back to class being held on Mondays through Fridays for the entire month of January. The start of the new year coincides with a new semester, and the five-day instructional calendar for January is a good chance for students, staff members, and families to reset to a new routine after the holidays.

Crosby High School Expansion Update

December 20, 2024 Update - The Crosby High School expansion project remains on track for a fall 2025 opening. "Everything is going according to plan," said Mr. J.P. Grom, Project Manager with LAN, during a briefing update to the Crosby ISD Board of Trustees on Monday, December 16, 2024. The CHS expansion project consists of three major aspects of the work. 1. Underground water detention which is located on the northwest corner of the CHS campus. 2. Building A which is the new academic wing. 3. Building B which is the expansion of the CTE (Career and Technical Education) Center.

1. Underground detention will capture and hold rainwater and meet storm water runoff guidelines. The area hatched at the top left in the photograph will be blocked during part of Crosby ISD's Winter Break. The area will be blocked for one week as crews complete the underground detention project.

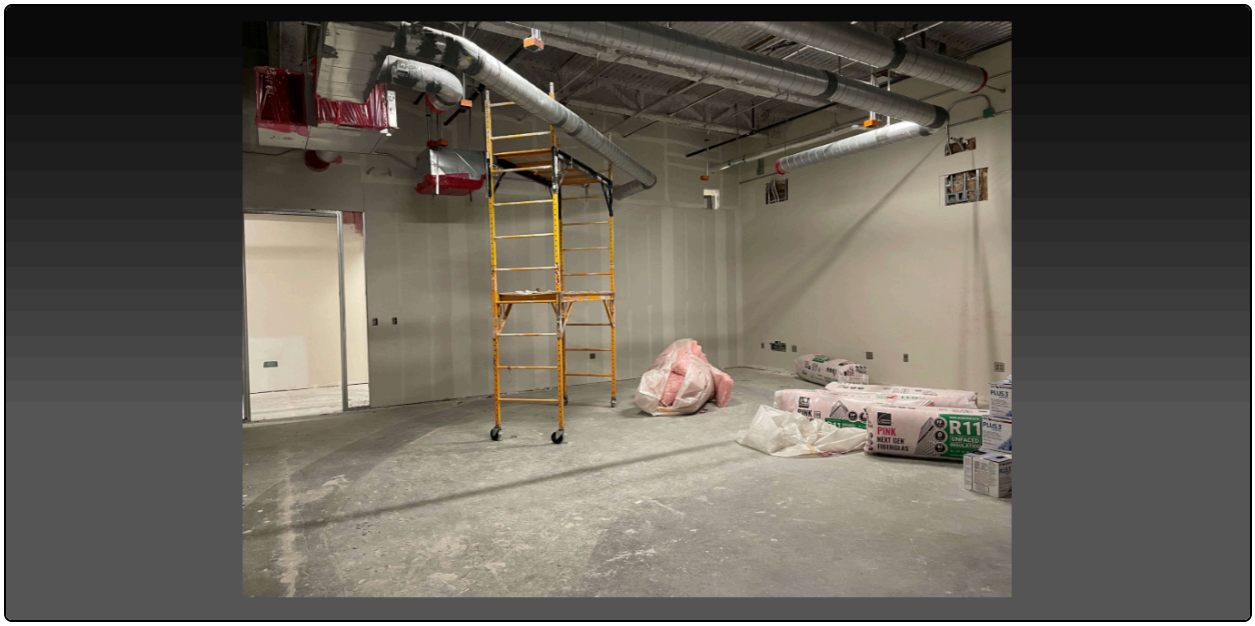

2. Building A. The future academic wing is currently covered with exterior sheeting or yellow panelling. This is the first step for enclosing and weather-proofing the building. Once the yellow sheeting is finished, there will be a waterproof membrane applied over the sheeting. Most classrooms are now framed, and crews are 95% compete with drywall installation.

3. Building B. The expansion of the CTE center features concrete masonry walls. These walls are designed to handle the demands and stressors of carpentry and welding labs. The photo below shows a future carpentry lab under construction.

In addition, this project is turning an unused LGI (Large Group Instruction) space inside the current structure of CHS into two classrooms. The project manager estimates the two additional classrooms will be available for use in February 2025.

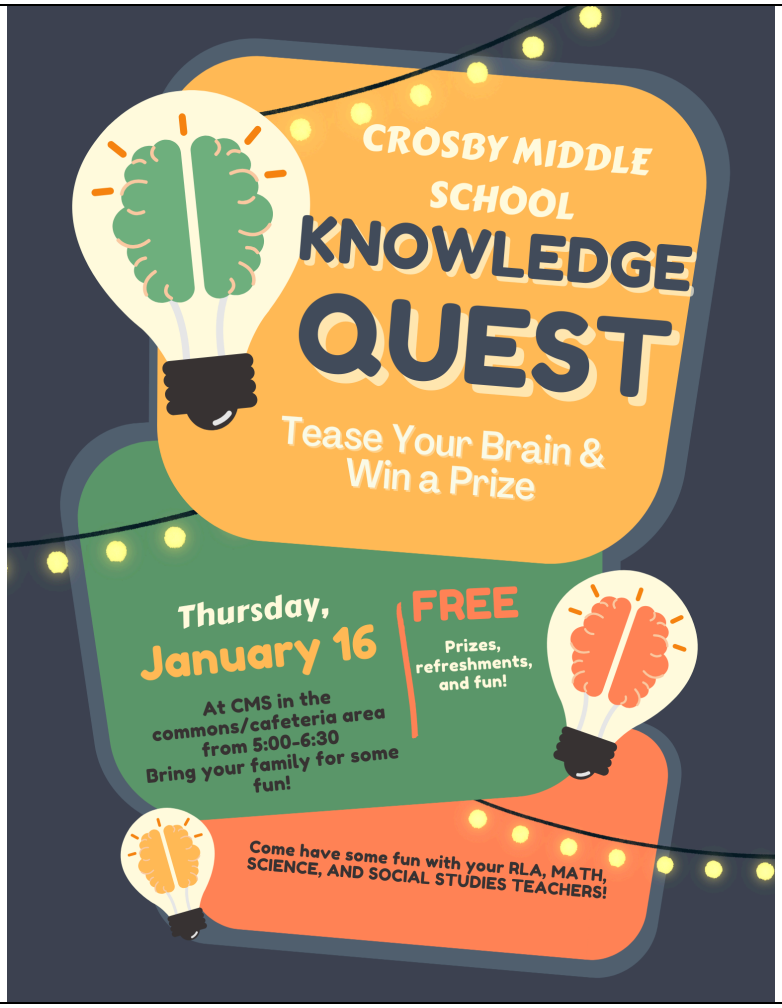

The project continues to meet all deadlines and all budget targets.

P3 Anonymous Alerts

campus

Crosby ISD utilizes the P3 Campus Alerts App for anonymous tip reporting. P3 stands for Protect, Prevent, Participate. The program is student-focused, as opposed to crime-focused, meaning it is a tool for alerting caring adults about students who need help—not snitching. This is part of our continuous effort to increase campus and student safety, and provide students with a safe, completely anonymous outlet to share concerns. You can make a report now in less than 5 minutes.

WHAT IS THE P3 CAMPUS ALERT APP?
The P3 Campus Alerts App is a reporting system to help combat bullying and other safety concerns by empowering students or parents to make anonymous reports. The system allows for one-way or two-way anonymous encrypted communications between submitters (students or parents) and campus/district administration and school staff. Users have the option to remain anonymous or include their identity when submitting a report.

HOW TO ACCESS THE APP
Send reports over web or internet
You can also download the P3 Campus app for your mobile phone
Apple Store
Google Play

HOW TO SEND A REPORT
To send reports over the internet, go to **www.p3campus.com**
To send a report from your phone:

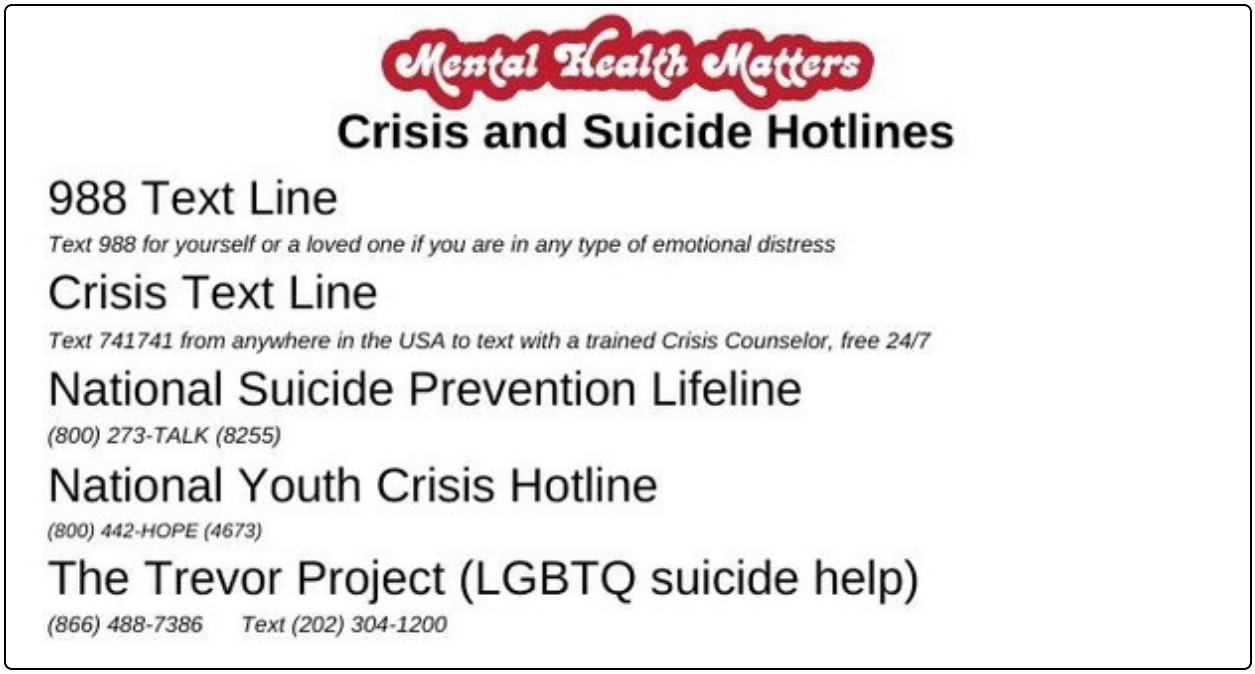

- Download the P3 Campus Alerts app for free from the Apple Store or Google Play.
- Start the app.
- Select Crosby ISD Submit report
- Add screenshot, photo, or video about the incident

HOW ALERTS ARE HANDLED
Reports will be addressed by a trained team of school officials and law enforcement, when necessary. Reports are monitored 24/7 to ensure that time-sensitive matters are dealt with promptly. Reports made through the P3 Campus mobile app, unlike SMS text reports, have no length limitations or the need to remember a short code. Additionally, when reporters use the mobile app, they are noti ed when action has been taken on their report, which demonstrates the value of their time and concern. In both the web browser and app form, reporters can attach photos, screenshots, videos, documents or audio r
