

TRACY UNIFIED SCHOOL DISTRICT

Technology ISET Department

One Drive Student Guide

OneDrive check if connected and folder location:

- 1. Locate the Cloud Icon:
 - Sign in to your laptop.
 - Look at the bottom-right corner of the screen in the system tray.
 - Find the cloud icon.

2. Check OneDrive Sync Status:

- Click the cloud icon.
- In the pop-up window, ensure it says, 'Your files are synced.'
- If you see this message, your OneDrive is signed in and syncing correctly.

- 3. Verify Important Files:
 - Open the File Explorer by selecting the icon on the taskbar.
 - Check for the OneDrive folder on the left panel.
 - The folder should display as * "Student Name Tracy Unified School District."
 - If the folder name is incorrect, proceed to the troubleshooting section.

Troubleshooting:

Important!! Before proceeding please first restart your laptop.

Step 1: Restart Your Laptop

- Restarting resolves many issues.
- After restarting, wait a few minutes for the system to load.
- Recheck if the problem persists.

Step 2: Resolve Common Errors

a. Proxy Error

- Restart your laptop.
- Check if OneDrive automatically logs in.
- If not, proceed to Step b.

Proxy Authentication Error

Please check your proxy configuration and try again. [2606]

b. OneDrive Sign-In Loop Error

- 1. Restart your laptop.
- 2. If the issue persists:
 - \circ $\;$ Click the gear icon in the top-right corner of the OneDrive window.
 - Select Settings > Add an account.
 - When prompted, enter your student email: StudentID@student.tusd.net
 - Click Sign in and then Next.
 - o If prompted with "A OneDrive folder already exists on this PC," click Use this folder.
 - Select **Next** through the remaining prompts to complete the setup.

(i) About		Unlink this PC	X			

You can exit the window after the folder is selected. Your OneDrive should now be syncing

c. Not Signed in Error

- If you see a crossed-out OneDrive icon, it means you are not signed in.
- Click the icon and select **Sign in** in the pop-up window.
- Enter your student email address and click Sign In.
- Click Next through the setup prompts.
- Once completed, your OneDrive should be connected

You can now close the window you should be connected to your OneDrive.
