Adjust the last student day at the end of May.

2024-25 Instructional Calendar Survey

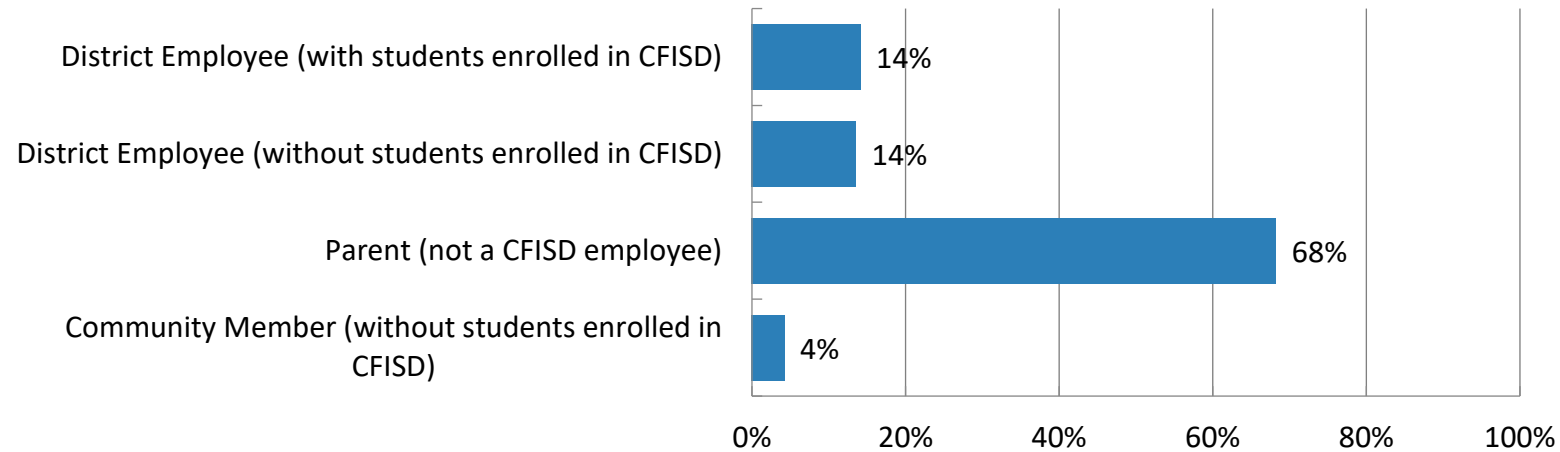

All Participants

Which best describes you?

(N=26,238)

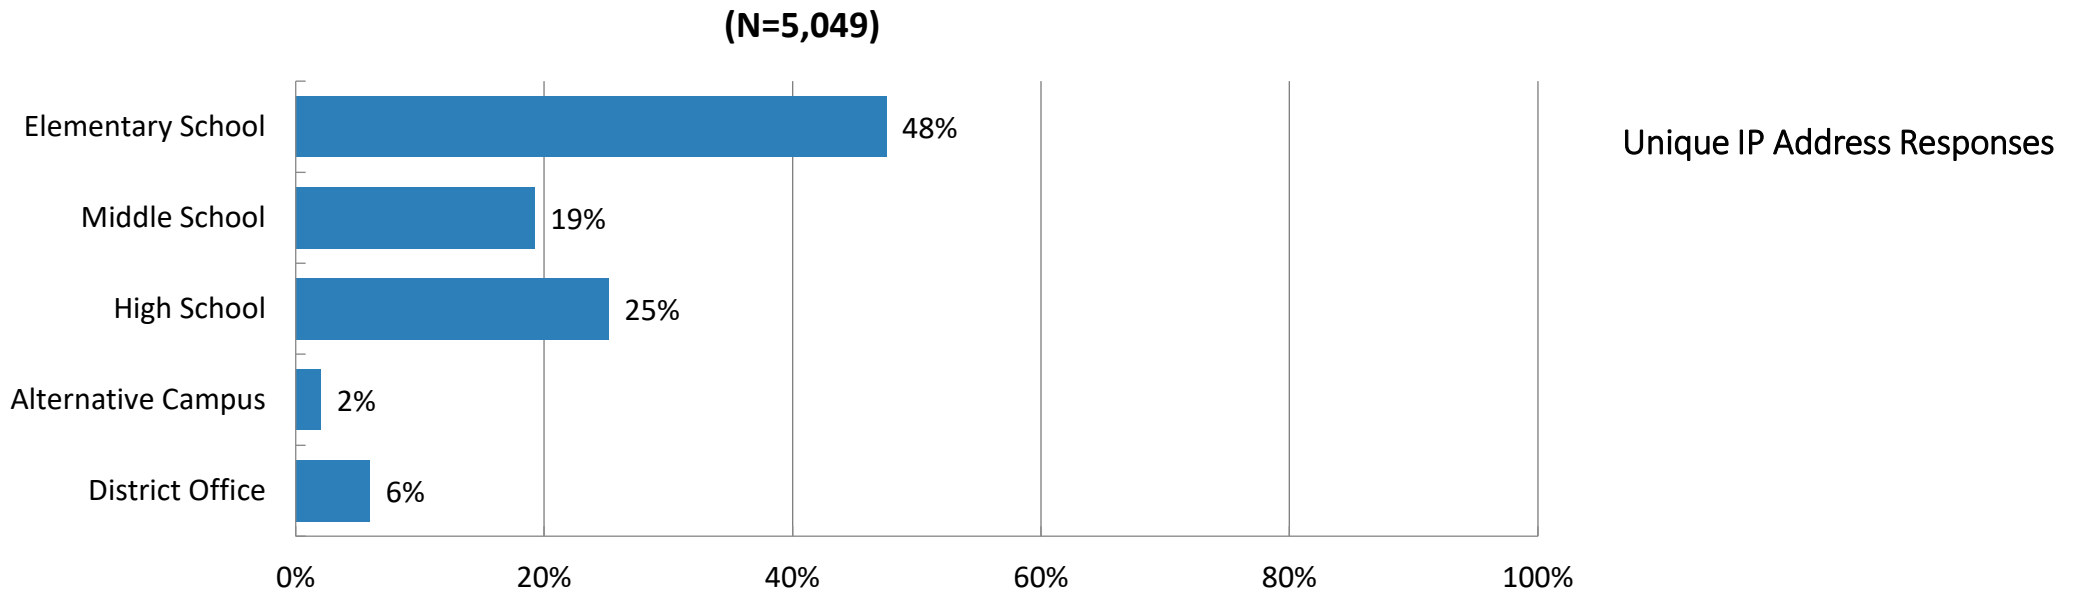

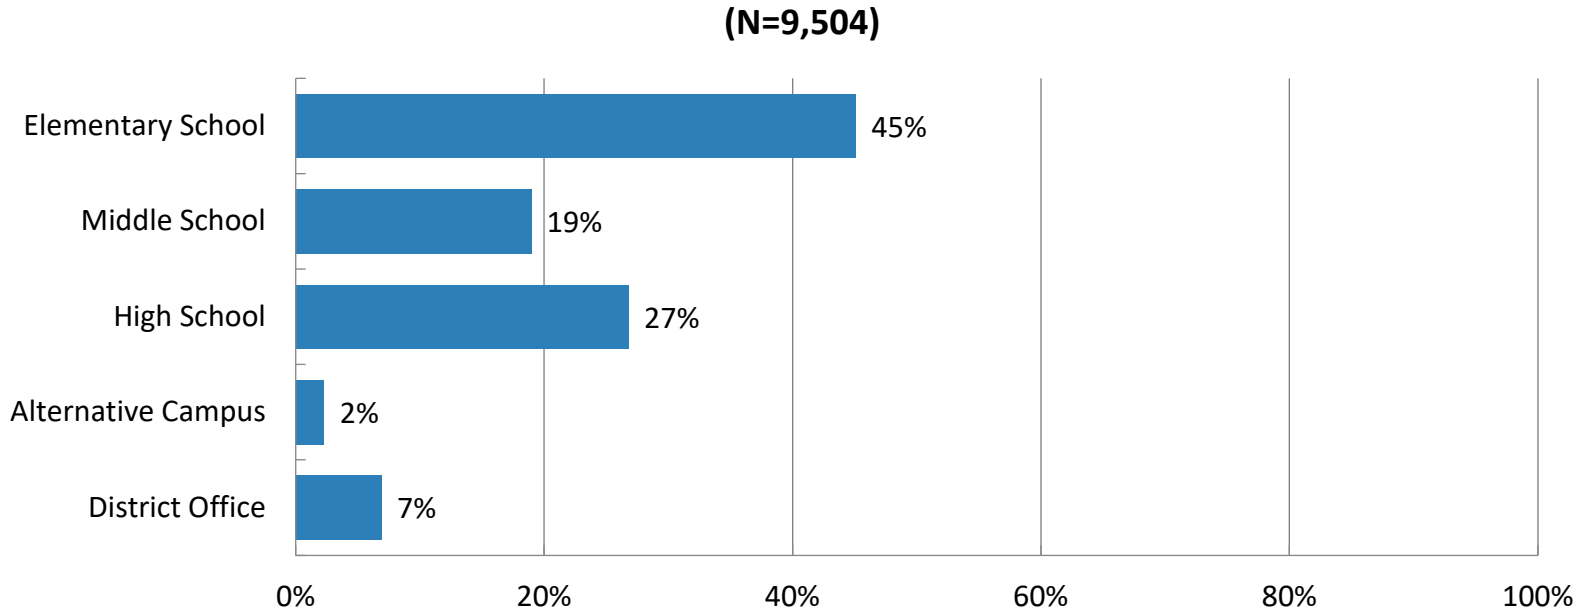

(N=18,292)

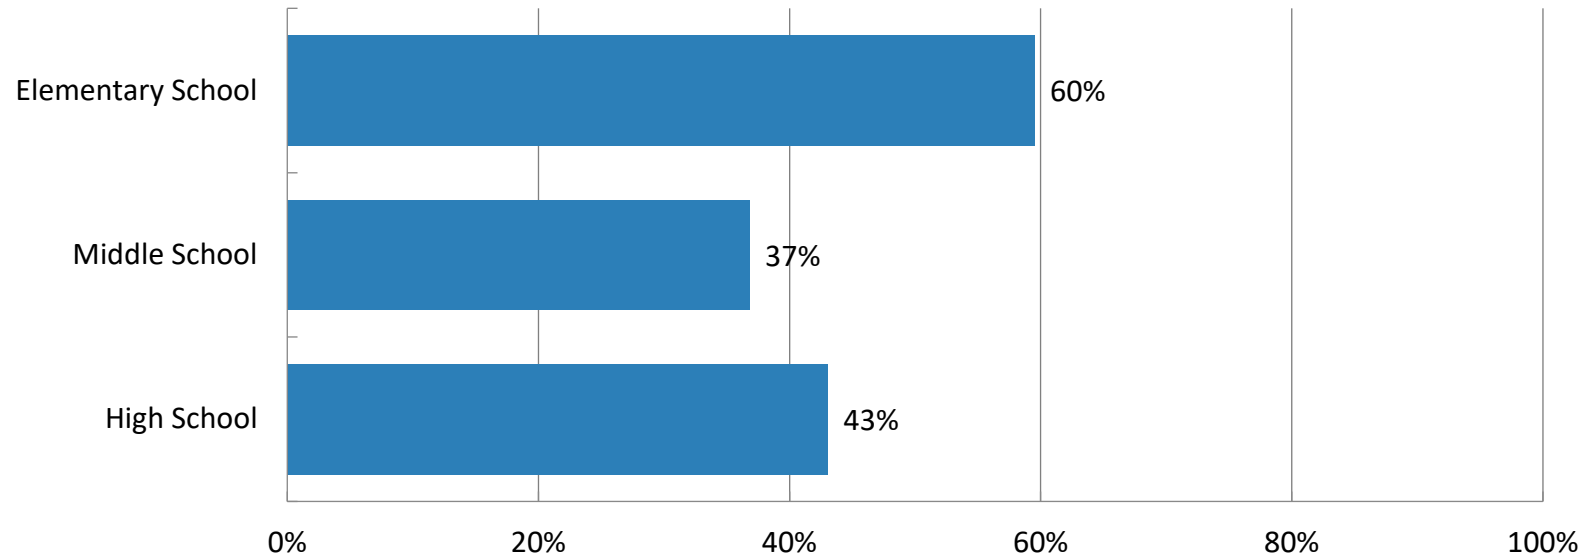

Unique IP Address Responses

If you are a district employee, which best describes your current assignment?

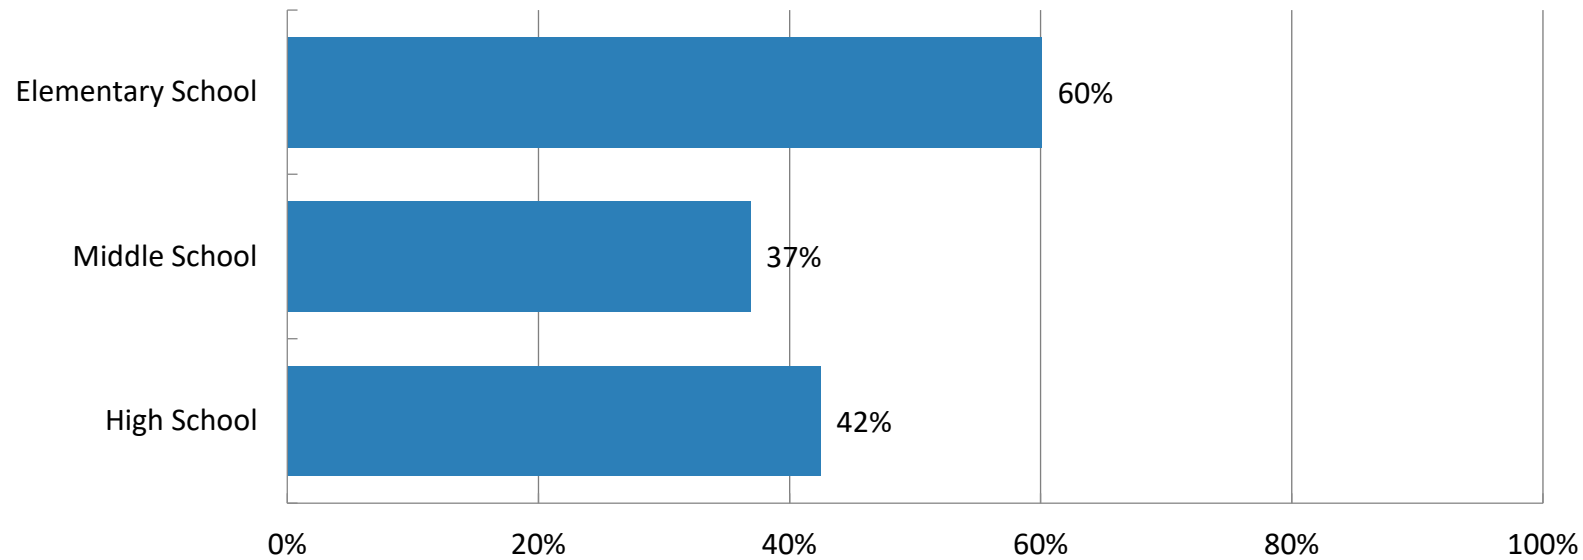

If you have children in the district, which best describes their educational level? (Check all that apply.)

(N=20,373)

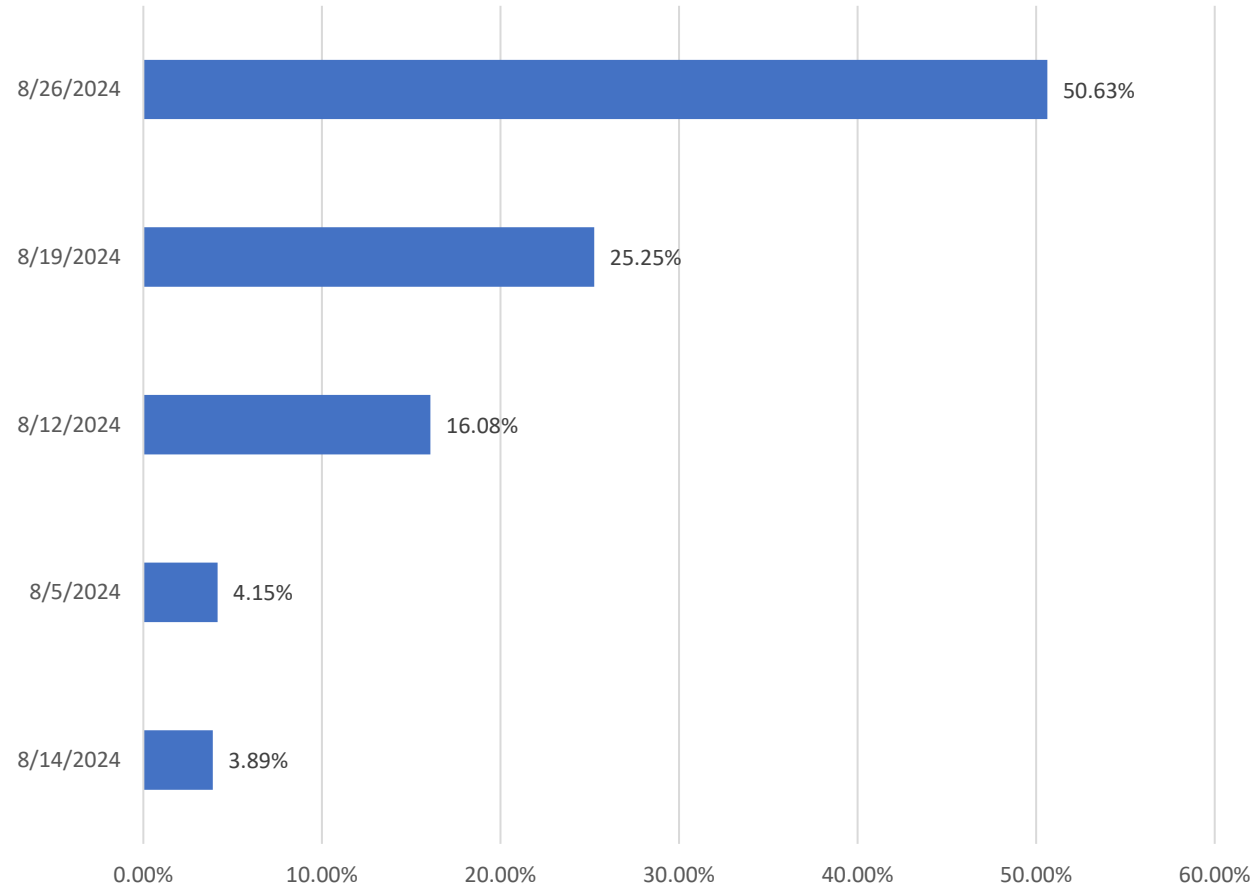

(N=15,056)

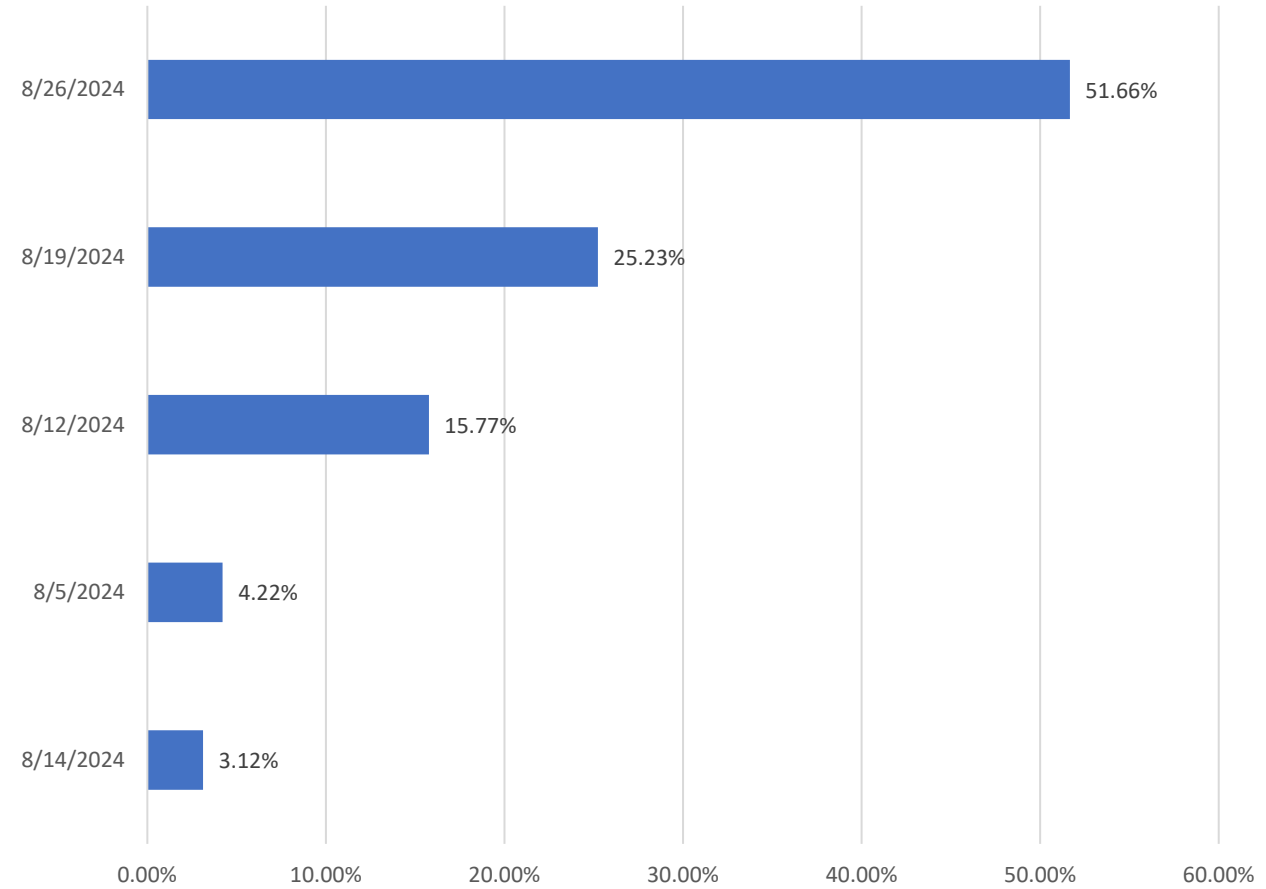

Unique IP Address Responses

What is the earliest date you would like to see school start for students in August 2024?

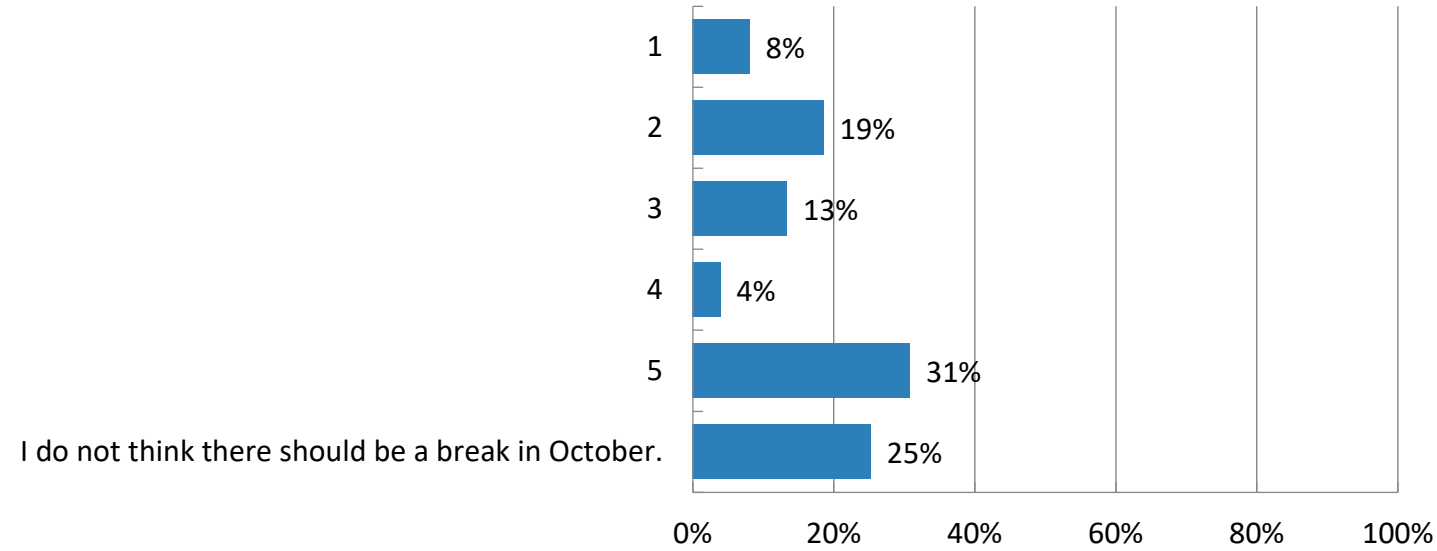

Unique IP Address Responses

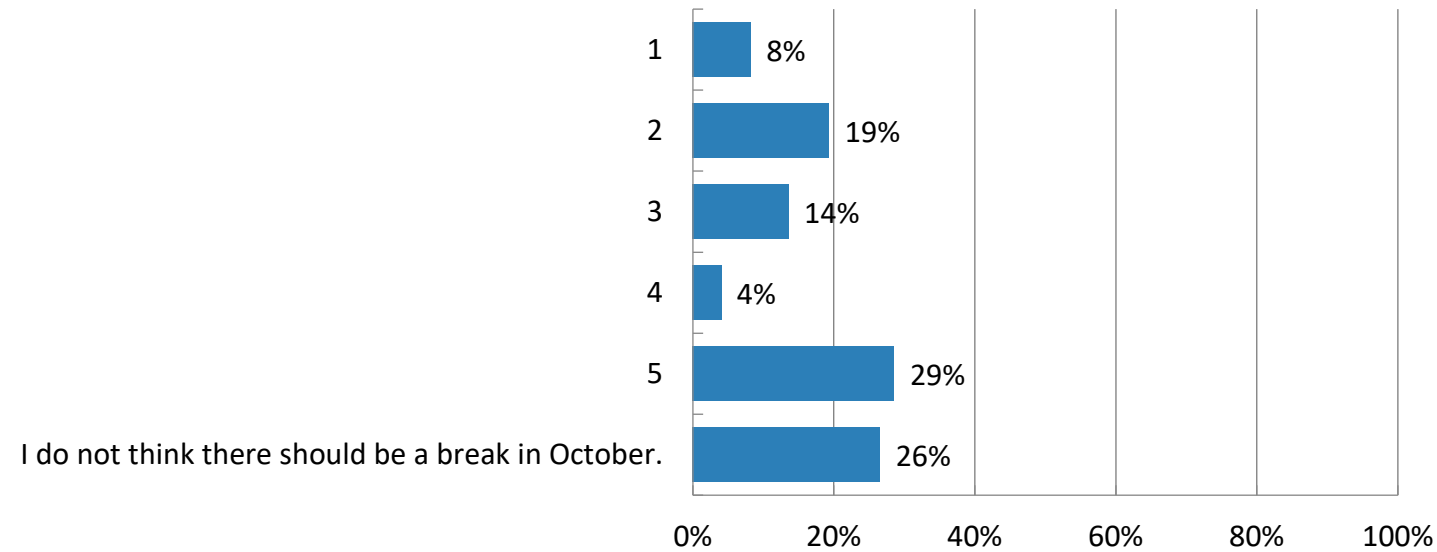

If we took a break in October, how many days should it include for students?

(N=26,238)

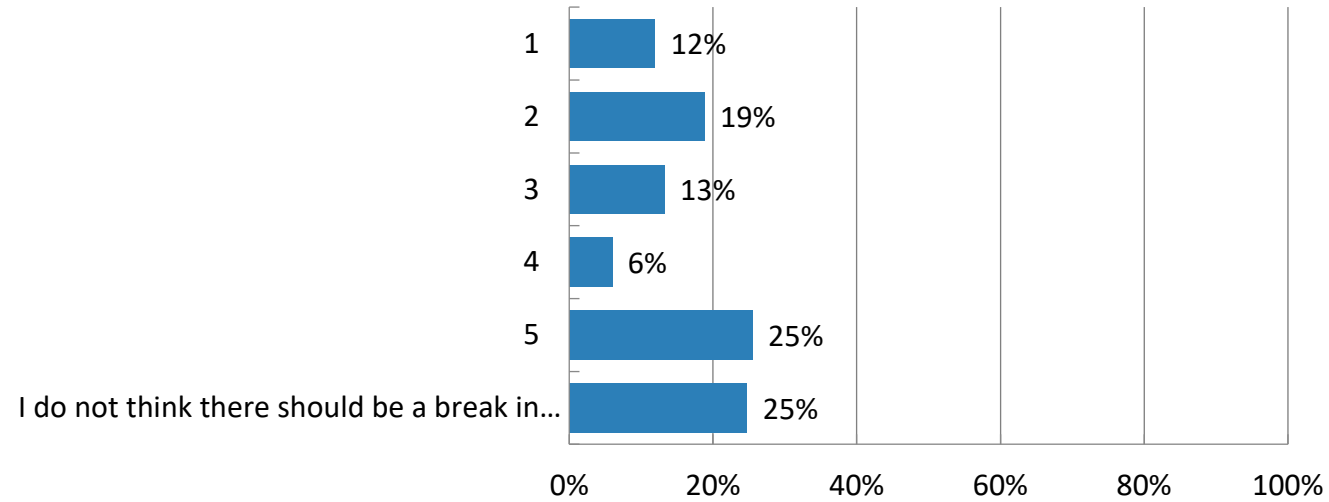

(N=18,292)

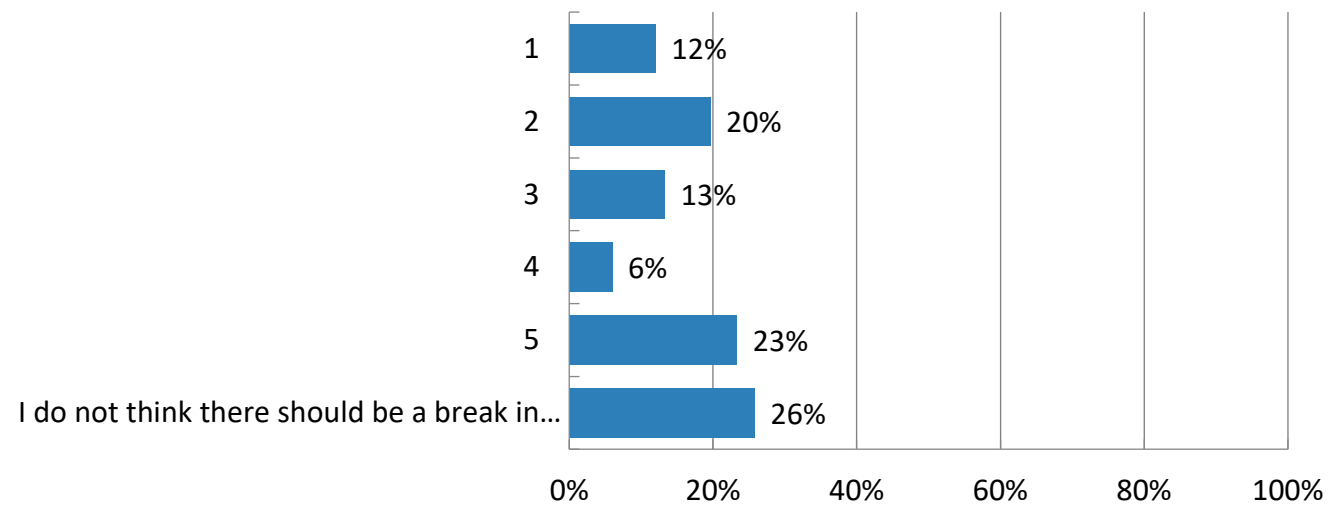

Unique IP Address Responses

If we took a break in October, how many days should it include for teachers?

(N=26,238)

Updated Documents

HISD Calendar (unapproved)
Sample 3a

Activity

- Using your small blank calendar, develop a calendar for your table.
- Transfer your information to the poster sized calendar.
- The table captain will share your calendar with the entire group.
- We will post these around the room.
- Then each person will take two “dots” and vote on the calendar or calendars they like best.
- We will review the calendars with the most dots and come to a consensus on what to take to the board.

Next Steps

- Proposed instructional calendar shared with Superintendent's Cabinet.
- Proposed instructional calendar presented to the DEIC.
- Proposed instructional calendar presented to the CFISD Board of Trustees in February 2024.
 - Board votes on the 2024-25 instructional calendar.
 - 2024-25 instructional calendar placed on the district website after the vote.
