

THE WILDCAT WEEKLY

A Note from Dr. G

Volume 4 Issue 15

Superintendent's Corner

As hard as it is to believe, this is the last Wildcat Weekly of 2024! We are ending the week and year on a high note in Mount Pleasant with all three of our teams in action last night - girls and boys basketball and wrestling - winning. Special shout out to our young wrestling team whose grit and determination have really been on display this season.

Be sure to keep an eye on these Wildcats!

Huge congratulations to Daniel Brady, who was officially appointed as the next principal of Westlake High School at Wednesday's BOE meeting. We know he will do amazing things for the school and continue to elevate the community spirit that has been cultivated for many years under Keith Schenker's leadership.

Thank you goes out to the Mistletones for their fantastic annual kazoo concert this morning — a deeply loved Westlake Holiday tradition! We were thrilled that Principal Keith Schenker joined in on the performance this year. The excitement didn't end there, Columbus students were greeted by Austin Alianiello on the sax and he and Daniel Enoch led the entire school in a lively sing-along this afternoon. Over at WMS, the Winter Olympics did not disappoint. Thank you to the Middle School PTA for the treats and Alyssa Catucci for emceeing the fun. Have a wonderful Holiday, Wildcats!

Noticing the Good

The Westlake High School Winter Concert, directed by Chorus teacher Emily Denler and Band teacher Ulysses Torres, showcased a diverse range of musical performances. The evening featured holiday favorites, as well as contemporary and pop songs, performed by the Chorus, Concert Band, The Blenders, and Jazz Band. The concert brought together a variety of musical styles, celebrating both the season and the talent of the students in a lively and festive atmosphere.

Be sure to check out our social media for lots more photos and videos of last night's performance.

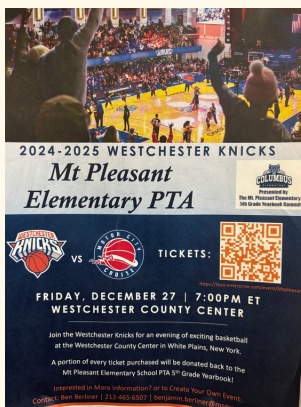

Dr. G had a cameo appearance as Santa in a WHS student film, Lucas and the Christmas Chicken. Be sure to watch it!

In Awe of the Paw – Mission Santa

This year, the WHS Service Club coordinated gifts in response to 41 "Dear Santa" letters from local kids whose families need some assistance this holiday season. Students really raised the bar this year, buying and wrapping over 200 presents. This was the largest number of gifts given in the history of the program at WHS. Well done Wildcats!
