ACADEMIC DISHONESTY, CHEATING, & PLAGIARISM

Academic dishonesty is not acceptable. Cheating, defined as copying another student's work and claiming it as your own, and plagiarism, defined as the use of another person's original ideas, images, video, audio, or writing without giving credit to the true author, are both prohibited practices. Materials taken from electronic sources are covered by this policy. A student who engages in any form of academic dishonesty will be subject to the loss of credit for the work in question.

ACTIVITIES/CLUBS

Every student benefits from being actively involved in school. Clubs provide an opportunity to explore interests, develop leadership skills, and have fun. CMS clubs are offered after school 3:20-5:00 p.m. through our Connections program.

ATTENDANCE POLICY

Regular attendance at school is important for a student's success. Students are expected to be at school every day and report to class on time. *This is a legal obligation as well as a school expectation.*

TARDIES

A tardy is defined as entering the classroom after the bell has rung. Late arrival to school or class is always discouraged. The following is our policy for unexcused tardies:

Students will be allowed four (4) unexcused tardies without consequence. When a student is tardy a fifth (5th) time, he/she will be assigned a 25 minute detention to be served after (3:20-3:45) school. Consequently, a 25 minute detention will be assigned when a student continues to be tardy. Each nine weeks the tardies start over; however, the student must serve all detentions. In addition, parents and school personnel will work collaboratively to determine if and when a behavior plan should be developed for continued tardiness. Written notice will be provided to the student and parent documenting the date, time, and location detention(s) will be served. A parent/guardian will be notified if the student is not present for their detention(s) and further disciplinary action will be administered.

ABSENCES

When a student is absent from school Infinite Campus will generate a phone call home at 9:30 a.m. letting parents know their student is absent. The principal has been designated to determine the acceptability and validity of excuses presented by the parent(s) or the student.

Excused/Unexcused Absences: The definition of "excused absence" includes the following:

- Personal illness;
- Health-related treatment, examination, or recuperation;
- Serious illness or death of a member of the family;
- Obligatory religious observances;
- Participation in a district-approved or school sponsored activity or course;
- Absences pre-arranged by parents and approved by the principal; and
- Students of active duty military personnel may have additional excused absences at the discretion of the principal for visitations relative to leave or deployment.

Absences pre-arranged by parents and approved by the principal may be excused; and students of active duty military personnel may have additional excused absences at the discretion of the principal for visitations relative to leave or deployment. All absences which do not fit into one of the above categories would be considered an unexcused absence. A student serving a period of suspension or expulsion from the district shall not be considered inexcusably absent.

Significant Part of the School Day: An absence of more than 120 minutes or more (2 hours) in any school day shall be considered an absence for a significant part of the school day. BOE approved 9/13/21

Make-Up Work: It is the student’s responsibility to obtain make-up assignments from teachers following an excused or unexcused absence.

Parents may excuse their student a significant portion of 10 days per year for student illness, professional appointments, serious illness or death of a family member, religious observances, or absences pre-arranged by parents and approved by the principal. Parents should contact the attendance secretary when their student is going to be absent. There is no limit for specific absences excused by licensed medical personnel (physicians, dentists, optometrists, chiropractors).

A detailed note including date, time, and signed by the physician must be provided within 3 days of a health-related absence. Other absences, for example, court appearances, will be managed on an as-needed basis.

Parent / Student attendance reminders:

- Parent excused absences 10 school days
- Unexcused absence 15 minutes or more of a class period
- Tardy..... Not in the classroom when the bell rings
- Activity participationAbsent LESS THAN 45 minutes
- School start time 8:05 a.m. DAILY
- Leaving campus during the day..... Students must check out through the administrative office

ATHLETIC/ACTIVITY PARTICIPATION

In addition to KSHSAA (Kansas State High School Activities Association) eligibility requirements, Chisholm Middle School maintains the following expectations of students who represent CMS in athletics/activities. The Academic Deficiency List (ADL) used to determine weekly eligibility will be generated on Wednesday mornings and will affect the activities/events in that week from Wednesday through Tuesday. It is an expectation that teachers will keep their grades up to date. During any sports or extracurricular activity season, each time the student appears on the ADL with two or more F’s, he/she will not be eligible to participate in any activities or events that week. The student will not have the opportunity to be eligible until the next ADL is generated. For all Public-School students, this list will be generated through Infinite Campus. For all Non-Public School students, a weekly form (paper or electronic) will be sent to parents and Private-School administrators to fill out. The form should be submitted to the school office by 8 AM each Wednesday confirming satisfactory academic progress during the season.

CAFETERIA GUIDELINES

It is our hope that the breakfast and lunch periods will provide a time when students can socialize with one another and relax. In order for everyone to enjoy their meal in a safe and orderly environment, all students must follow the lunchroom procedures. The lunch period is a 'closed cafeteria.' Only with permission will students be allowed to leave school during meal time.

- Students will use their ID to purchase their meals.
- Students may go through the lunch line once and should get all needed items at that time.
- Students will not be allowed to change seats or save seats. They should raise a hand if they would like to use the restroom or get a drink of water. Students will not get up and move about during mealtime without permission.
- Students will remain at designated tables until dismissed by lunch supervisors. Appropriate table manners and speaking volume is expected.
- Lunch tables and the surrounding areas should be left clean – all paper, excess food, etc. should be placed in the trash cans. Students are expected to wipe down their table prior to leaving the cafeteria.
- Students may not take food or drink out of the cafeteria.
- Students should not share food or take food from another student's lunch.
- Students should not order Doordash or any other food delivery service.

CELL PHONES:

Whether intentional or not, the phone can remove us socially, intellectually, and emotionally from being present with those around us. We want students to have a greater opportunity for face-to-face connections. Social Media, when used appropriately has the potential to connect friends, but in a school setting, it can cause harm to others, thereby disrupting the school day. In order to maximize learning while at school, all electronic communication devices shall be put away in their pocket or backpack before leaving the gym or cafeteria after the morning bell and before leaving the cafeteria at lunch. Students who need to contact home may ask for a pass from their teacher and come to the office.

Likewise, parents who wish to leave a message for their student(s) may also call the office.

Consequences for having a cell phone out during the day can include: (depending on the severity)

- ❖ 1st offense - Warning
- ❖ 2nd offense - Student will be asked to turn the phone into the teacher and/or will pick it up at the end of the class hour
- ❖ 3rd offense - Electronic device will be turned into the ISS Monitor and the student may pick up the device in the ISS Room after school.
- ❖ 4th offense - Cell phone will be turned into the ISS monitor and the student may pick up the device in the ISS Room after school. Parent is called to notify them of the cell phone violation.
- ❖ 5th offense - Cell phone will be turned into the ISS Monitor and must be picked up by a parent. Parent is called to notify them of the cell phone violation and that they need to pick up the device.
- ❖ 6th offense - Continued cell phone violations will result in additional consequences, which could include a conference with the parent and student. The consequences listed here are not exclusive and additional discipline may be imposed for violations of any other policy if the circumstances warrant.

Inappropriate use of electronic communication devices shall include but is not limited to:

- posting pictures and/or videos on social media during the school day (this includes snapchat, instagram, tik-tok, twitter, facebook, or any other social media sites)
- invading the privacy of others i.e. videotaping and/or taking pictures of students and staff
- causing embarrassment of another person
- sexting
- videoing bullying, fights, inappropriate behaviors, etc.
- causing harm to another person
- creating fake social media accounts using school names, logos, and/or students

These actions are prohibited and shall be considered a level of behavior that is intended to cause another individual physical or mental harm. Disciplinary action up to suspension from school and/or reporting offenses to law enforcement will be determined by the administration.

Earbuds may NOT be worn in the ears while in common areas (hallways, classrooms, restrooms etc). Earbuds (including bluetooth) are ONLY allowed in classrooms with teacher approval and in the cafeteria during breakfast or lunch.

****The school is not responsible for any lost, stolen, or damaged cell phones, earbuds, or other personal electronic devices when students choose to bring them to school. Stolen or lost electronic items might not be retrieved, though families may file a police report with the school resource officer.***

CHANGE OF ADDRESS OR CONTACT INFORMATION

It is important that the school be able to reach parents or guardians of students in case of emergency or to mail home information. Please keep this information current by notifying our office of any changes. It is important that we have emergency contact information as well in case your child is ill, hurt, or involved in a disciplinary action.

CHECK OUT FROM SCHOOL

In those cases where a parent's/guardian's request for dismissal during the school day is granted, the parent/guardian must come in and sign the student out in the office. If a student returns to school on the same day, the student must sign back in. No student is permitted to leave school for any reason during school hours without prior approval from office personnel. Students who do so will face disciplinary action. A physician's permit may be required for readmission of a student after having an illness. The nurse will be available if there is any question.

COMMUNICATION

DEVICES

The AUP (Acceptable Use Policy) must be signed before a Chromebook will be checked out to the student. There is no expectation of privacy on the school devices. Misuse of the device will result in consequences, including a warning, loss of privileges, and/or loss of the device. Please read the Device Handbook.

Devices will remain at school if the device usage fee is not paid. Students will continue to have access to their device during the school day but will check their device in at the end of the day to the Media Center. They will be able to pick up their device at the beginning of the school day. Payment arrangements can be made through the district office at 316-284-6200.

DISCIPLINE PLAN FOR MIDDLE SCHOOL

Student discipline for middle school is based on the belief that middle school age students are capable of making good choices concerning their behavior and that these choices protect the rights of others, particularly as it relates to a safe and orderly environment. It is the intent of the CMS staff to provide a safe and orderly environment for every student. It is the obligation of all staff members and students to cooperate toward this belief. No person in our school should commit, act, or behave in such a manner that would be offensive to others.

It is our desire to encourage students to be responsible young people. The staff at Chisholm will commit to providing a positive, safe, and encouraging learning environment. The staff will lead by example in creating engaging lessons, respecting students, and maintaining high expectations both in academia as well as behavior. Discipline is part of learning and growing. The staff at Chisholm will explain and practice our building procedures so students are aware of the building expectations. Students will not be allowed to disrupt the learning environment for others. We believe all students have the right to receive an education in a safe and orderly environment.

Teachers will follow our building discipline plan prior to sending students to the office for a Tier 1/Tier 2 behavior (Tier 1, Tier 2, and Tier 3 student behaviors and teacher responses are listed below). Tier 3 behaviors are sent directly to the office.

The following are general guidelines for disciplinary actions with regard to specific behaviors. Please note that administrators retain the authority to modify any of the stated consequences based on the severity of the behavior, under the totality of the circumstances, including consideration of the student's previous disciplinary record, as necessary, to determine a progressive disciplinary response. Similarly, this is not an exhaustive list of actions which may lead to discipline, and the board authorizes its administrators to assign appropriate disciplinary consequences to student behaviors as necessary for the efficient, lawful, and respectful operation of the school. It is never our goal to remove a student from school but rather to train our students to act respectfully and responsibly.

Possible Disciplinary Actions Definitions:

Inappropriate behaviors result in consequences to be determined by the principal, who may consult with the teacher involved. The consequences could include, but may not be limited to, one or more of the following:

- **Administrative Conference** The building principal or assistant principal meets with the student to develop positive behaviors. The conference may include parents/guardians, and/or staff and faculty, as well as the student.
- **Lunch Detention** The student will go to the cafeteria to get lunch and then immediately head to the lunch detention room (ISS or office) during their scheduled lunch period. The student will return the lunch tray to the cafeteria and be dismissed when the bell rings.
- **After School Detention** Time after school may be assigned for violations of the school rules. This may be assigned for any of the violations listed in the “General Guidelines” or the District Discipline Plan. After School Detention will take precedence over school activities such as sports or other personal activities. Students are expected to remain quiet and complete school assignments while in detention.
- **In School Suspension--ISS** Students are placed in a supervised area for a specific length of time due to failure to follow building policies. Students are NOT permitted to attend any school activities if they are assigned ISS. When students are assigned one or more days of ISS they will: 1) report to the office as soon as they arrive; 2) eat breakfast in the ISS room; 3) eat lunch in the ISS room; 4) be allowed to work on assignments; 5) be allowed to use their Chromebook for assignments; 6) not be allowed to have their cell phones; cell phones will be turned into the ISS Monitor; and 7) be expected to leave school property at the end of the day. Students placed in ISS will also work with staff to develop a plan to be successful in class. ISS time may be extended if students are not following expectations. **Students who are not successful while in ISS will be sent home for a short term suspension (OSS).**
- **Short-Term Suspension—OSS** This suspension is a period of time, not to exceed 10 days, for which a student may be removed from school. Students are NOT permitted to attend any school activities or come onto school grounds while on suspension. A Re-entry meeting may be scheduled when the student is suspended from school for a period of three or more days. The Re-Entry meeting is designed to develop an intervention plan to help the student be successful moving forward.
- **Expulsion--OSS** Expulsion occurs when a student is removed from school for a minimum of 10 days and up to 186 school days pending a hearing. It is possible the expulsion could extend over two school years. Expulsions for certain weapon violations will be one calendar year in length.
- **Other possible consequences**
 - Alternative educational placement
 - Behavioral plan/contract between the school, student, and parents
 - Possible police involvement, if deemed appropriate for any offense

Jackets, belt buckles, t-shirts, sweatshirts, and all other articles of clothing may not have lettering, slogans, trademarks, pictures, or advertisements which are inappropriate, suggestive, or obscene. This specifically prohibits students from wearing messages that relate to drugs, alcohol, tobacco, weapons, violence, sex, vulgarity, or messages that reflect adversely upon persons because of their race or their ethnic or religious group.

The guidelines apply to apparel worn during the school day or any school sponsored event. Apparel and clothing violating the dress code will necessitate a change of clothing and/or may be a cause for in-school-suspension.

TOPS

- Shirts must be long enough to cover the beltline so that the belly is not visible.
- Tank tops with large armholes and/or low necklines may not be worn unless another appropriate shirt is worn underneath. Undergarments may not be shown including sports bras.
- Students should not wear shirts that have thin spaghetti straps. Tops that expose breast tissue will not be allowed. Tank top straps should be at least approximately two fingers wide. Off the shoulder or strapless tops will not be allowed unless a jacket or sweater is also worn.

BOTTOMS

- The style of wearing pants or shorts known as "sagging" is not permitted. Students will be required to use a belt or rope to tighten the waistband to insure clothing remains around a student's waist.
- Shorts, skirts, and dresses must reach mid-thigh. Jeans with holes must not expose undergarments and follow the guidelines above.

OTHER

- Hats, caps, hoods, bandanas, or other head apparel must be removed upon entry to the building except on designated days (i.e. spirit week)
- Any type of clothing designed to be worn as an undergarment should not be worn as outerwear.
- Any clothing, jewelry, or accessory that could be a safety hazard will not be allowed.
- Sleeping attire, including pajamas, house shoes, robes, and blankets are not allowed except on designated days (i.e. spirit week)
- School administration will make the final determinations about appropriate appearance and disciplinary action. Students will be directed to change into clean clothing provided in the office, unless they have a gym suit or other appropriate clothing readily available.

EMAIL

Students shall have no expectation of privacy when using district e-mail or computer systems. Email messages shall be used only for approved educational purposes. Students must use appropriate language in all messages. The school retains the right to duplicate any information created by students in a computer system or any individual computer. Students who violate these rules or any classroom rules relating to computer use are subject to disciplinary action.

EMERGENCY DRILLS

A written plan for emergency drills (four fire drills, two tornado drills, three crisis drills, and two transportation drills per school year) is available in the office and in every classroom. The drills will be explained to staff and students at the beginning of the school year. Practice drills will be conducted periodically in accordance with state statutes.

EXTRACURRICULAR, CO-CURRICULAR PARTICIPATION

New students who wish to represent Chisholm Middle School by participating in extracurricular athletics, Scholars Bowl, music, or other scholastic clubs and/or activities supported by the Kansas State High School Activities Association must be full-time students enrolled in Newton schools. A full-time student is defined as a student enrolled in seven courses each semester. The courses selected must be a mix of core (English, Math, Science, and Social Science) and elective courses. In addition, these students must remain in good standing as defined by KSHSAA and USD 373. Exceptions to USD 373 policy may be granted only when approved by the Chisholm Middle School principal and the superintendent.

FEES

Payment for all textbook fees are due at the time of enrollment, and payment for all other student fees are due at the time of purchase. USD 373 is in contract with RECHECK Inc. of Wichita, Kansas, to handle collections on unpaid accounts. Unpaid fees may include balances owed for school meals, textbooks fees and materials, pay-for-participation fees, lost or damaged books, and other miscellaneous fees. Additional charges will apply to accounts submitted for collection. Parents contacted by RECHECK Inc. at 888-794-7325 regarding past due accounts should correspond with RECHECK Inc. to resolve account balances. For general questions and/or questions regarding the collection of past due accounts, contact Andi Saenz at 316-284-6217.

FOOD/DRINK

Students are allowed to bring a clear water bottle to use throughout the day. Other than a student's lunch box/bag, food is not to be stored in the locker at anytime during the day. Food, snacks, candy, pop, or other food or drink items may not be sold during the school day per State and Federal Food Service Guidelines. No food or drink other than water is allowed in the gyms before school. All other items should be consumed in the cafeteria. Please do not use glass bottles for water at school.

GRADING POLICY

Grades provide a representation of student learning. Chisholm Middle School understands that students have a variety of learning styles and need time to process and learn material. We want all students to be successful. Success is evident when a student shows growth in their learning. In order to show student growth, we assign grades to demonstrate progress and learning. The district grading scale sets the standards for academic achievement. 100-90 is an A; 90-80 a B; 80-70 a C; 70-60 a D; and 59 and below is failing. Each class will report grades as a measure of student progress throughout the year.

GUIDANCE

The guidance program shall be organized to meet the needs, interests and abilities of all students. Counselor(s) shall perform guidance services consistent with district mission, job descriptions and board policies.

HOMEBOUND INSTRUCTION

If a child is unable to attend school because of lengthy illness or injury, homebound instruction may be provided if:

- The parent makes the request for homebound instructions; and
- The family physician recommends homebound instruction in writing.
- The principal shall be responsible for obtaining a teacher for the student (Revised May 19, 2003)

HONOR ROLL

Honor Roll will be given at the end of each semester. A grade of "D" or lower in any subject disqualifies a student for both Honor roll and Honorable mention. A certificate will be given to each student.

1. The Principal's Honor Roll: GPA 4.0 (All A's)
2. The Honor ROLL: GPA 3.9-3.0 (All A's, B's, C's, no D's/F's)
3. Honorable Mention: GPA 2.9-2.0 (All A's, B's, C's, no D's/F's)
4. PRIDE Award: No F's, no referrals, no unexcused absences, no tardy detentions.

ID'S:

All students will be given a student ID, lanyard, and plastic sheath to be worn while at school for safety reasons. ID'S must be used in order to leave the classroom, to check out books, scan for lunch, attend dances, and other school related activities. A replacement ID may be printed at a cost of \$5.00.

Building administrators and others designated by the administration may conduct investigations and question students about infractions of school rules or the student's conduct code.

LOCKER ASSIGNMENTS

Hallway lockers will not be assigned to students. Parents may request a locker for their student, however, most students will not use hallway lockers at Chisholm Middle School. If a locker is assigned to a student by the office, it is free of charge. It is the student's responsibility to keep his/her locker locked at all times. Students are responsible for all items stored in the locker. The school maintains no responsibility for lost or stolen property, therefore, no valuables of any type should be brought to school. Students are not allowed to share lockers and should NEVER give another student their combination.

This includes inhalers that are self-administered. Non-prescription medication must have a note signed by parents/guardians. We will gladly dispense medication, as needed, to students in our health office.*

We do encourage that you keep children home if they are running a fever of 100.4 or higher or have vomited within 8 hours. Children may return to school after being fever-free for 24 hours, without the use of anti-fever medication. When diagnosed with a contagious condition such as 'strep throat,' they may return after 24 hours of prescribed antibiotic treatment.

PARENT PORTAL ACCESS

Infinite Campus is the student information system used by Newton USD 373 schools. One of the features of Infinite Campus is the parent portal. Using a school-issued activation code, legal parents/guardians can access student attendance, grades, assignments, household information, and school information on a daily basis via the internet. Parents/guardians must have an Infinite Campus Parent Portal to have access to student accounts on RevTrak, which is used for payment of student fees and meals. One portal may be shared by authorized family members, or separate portal accounts may be created upon request. The Infinite Campus Parent Portal is accessed through the Newton USD 373 website at www.usd373.org > Infinite Campus > Infinite Campus Portal Link. A tutorial is available at the Infinite Campus Portal Link with instructions on how to use the portal. For information on how to obtain a portal activation code, or if you have an existing parent portal account and need assistance, please contact your child's school office.

POLICY ON HOMEWORK (IHEA)

Homework is an essential part of the school program at CMS. The quality and quantity of the homework assignment will vary and relate to the content of classroom instruction and shall supplement its purpose and objectives. We believe that supporting students to succeed is our mission. We do not believe in allowing students the choice to fail.

When assignments are made, it is the expectation that those assignments be turned in when they are due. Frequently, students are provided class time to work on assignments so many students will not have excessive homework if they choose to use time wisely during the school day. Partial credit may be given for late assignments. Following an absence, all students are allowed two calendar days to complete assigned work for the first day absent, and one calendar day for each subsequent day of

absence. Students are responsible to ask for the work they have missed or to comply with individual teacher expectations to collect work or get questions answered if they miss the initial instruction. Students need to gather their homework prior to leaving for a school sponsored activity. Failure to comply with this expectation could lead to a failing grade.

PUBLIC DISPLAY OF AFFECTION (PDA)

Students may not hold hands, kiss, or hug in which pelvis to pelvis/buttock or chest to chest hugging, etc. These actions will be considered inappropriate interaction.

SCHEDULE CHANGES

Students will enroll in the spring for their fall classes. Schedules will then be generated by the counselor and approved by administration. During the first week of the school year changes can be made by parent request. After the first week of classes, schedule changes may only be approved by the counselor and administrator. Fastbridge Math and Reading Screener assessments may result in student schedules changing to a tier 2 or tier 3 support course. These changes may occur in the fall, winter, and spring, based on assessment data. While students request what elective courses they would like to take, it is not guaranteed (exceptions are band, orchestra, and PE). Any changes other than the ones specified will need prior approval from administration and parents.

SPECIAL EDUCATION COOPERATIVE-Harvey County

Newton USD #373 is a member of the Harvey County Special Education Cooperative. Board of Education Policies & STATE LAWS

Board Policy – Board policies are regularly reviewed and revised. Any policy printed in this handbook is accurate as of the printing date. Should policies change, the most recent adopted policy of the Board of Education will be followed regardless of what is printed in this handbook.

BULLYING PLAN

Bullying means: Any intentional gesture or any intentional written, verbal, electronic, or physical act or threat either by any student, staff member, or parent towards a student or by any student, staff member or parent towards a staff member that is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment that a reasonable person, under the circumstances, knows or should know will have the effect of:

- Harming a student or staff member, whether physically or mentally;
- Damaging a student's or staff member's property;
- Placing a student or staff member in reasonable fear of harm; or
- Placing a student or staff member in reasonable fear of damage to the student's or staff member's property.

Bullying also includes cyberbullying. "Cyberbullying" means bullying by use of any electronic communication device through means including, but not limited to, e-mail, instant messaging, text messages, blogs, mobile phones, pagers, online games, and websites.

Additionally, bullying means any form of intimidation or harassment prohibited by the board of education of the school district in policies concerning bullying adopted pursuant to K.S.A. 72-6147 or subsection (e) of K.S.A. 72-1138, and amendments thereto. USD 373 will not tolerate these actions by students, staff, or parents.

For the purposes of this plan and its authorizing policies, "parent" includes a biological, adoptive, or step-parent; guardian; custodian; or other person with authority to act on behalf of a student.

Similarly, a "staff member" means any person employed by the district.

Any act of bullying by either an individual student or group of students towards a student or staff member of the district is prohibited on or while utilizing school property, in a school vehicle, or at school-sponsored activities, programs, and events. This policy applies to students who directly engage in an act of bullying, to students who, by their behavior, support another student's act of bullying, and to all staff members and parents who engage in similar behaviors.

Training concerning identifying, reporting, investigating, and preventing bullying behaviors as outlined in district policies and this plan shall be provided to students and staff members using district resources available for such purpose and shall be provided through school assemblies, staff development, or other appropriate forums at least annually.

The board or the district administration on behalf of the board may seek student, staff, parent, and/or community input on the adoption, revision, and/or implementation of the board's bullying policies or plan as directed or approved by the board.

No teacher, administrator, or school district employee shall engage in, permit, or tolerate bullying.

Retaliation against a victim, good faith reporter, or a witness to bullying is prohibited. A student or staff member who engages in an act of bullying, reprisal, retaliation or false reporting of bullying, shall be

subject to discipline in accordance with school district policy and procedures. The district administration and/or board may take into account the following factors when determining an appropriate disciplinary action for such prohibited conduct: the ages of the parties involved; the developmental and maturity levels, special education needs of the parties involved, and the severity of the behavior.

For the purposes of this Plan, and its authorizing policies, district administration includes building and district level administrators.

Discipline guidelines for student bullying may be found in student and employee handbooks. Offenses over time or single offenses which are severe in nature may result in discipline up to and including suspension and/or expulsion or termination from employment. Parents participating in prohibited bullying conduct aimed at district students and/or staff members may jeopardize their access to district facilities; district property; school sponsored activities, programs, and events; and/or district students and/or staff members through the district's communication systems. As appropriate, reports to local law enforcement will be filed to report criminal bullying behaviors. (See Policies EBC, GAAC, GAACA, GAEE, JDDC, JGEC, JGECA and KN) Revised: 9/2008, 1/2010, 5/2014, 4/25/2016

DRUG FREE SCHOOLS JDDA

Maintaining drug-free schools is important in establishing an appropriate learning environment for the district's students. Unless otherwise specified in this policy, the possession, use, sale, distribution, and/or being under the influence of illicit drugs, controlled substances, and/or alcohol by students at school, on or in school property, or at school sponsored activities or events is prohibited. The possession, use, sale, or distribution of drug paraphernalia or drug lookalikes is similarly prohibited.

Possession, use, and/or being under the influence of a controlled substance by a student for the purposes of this policy shall only be permitted if such substance was:

1. Obtained directly from, or pursuant to a valid prescription or order, issued to such student from a person licensed by the state to dispense, prescribe, or administer controlled substances;
2. In the case of use or possession, approved and administered, if administered at all, in accordance with board policy JGFGB and/or board policy JGFGBA; and
3. Used, if at all, in accordance with label directions.

Student Conduct As a condition of continued enrollment in the district, students shall abide by the terms of this policy. Students shall not manufacture, sell, distribute, dispense, possess, use, and/or be under the influence of illicit drugs, controlled substances, or alcoholic beverages at school, on or in school district property, or at any school activity, program, or event; nor shall they be in possession of, use, sell, or distribute drug paraphernalia or drug lookalikes in such locations. Any student violating the terms of this policy will be reported to the appropriate law enforcement officials, and will be subject to district discipline which may include suspension and/or expulsion.

Students who are suspended or expelled under the terms of this policy will be afforded the due process rights contained in board policies and Kansas statutes, K.S.A. 72-6114, et seq. Nothing in this policy is intended to diminish the ability of the district to take other disciplinary action against the student in accordance with other policies governing student discipline. If a student agrees to enter and complete a

drug education or rehabilitation program, the cost of such a program will be borne by the student and his or her parents. A list of area drug and alcohol counseling and rehabilitation programs, along with names and addresses of contact persons for the programs, is on file with the board clerk. Parents or students should contact the director of the programs to determine the cost and length of the program. A copy of this policy will be provided to all students and the parents of all students. Parents of all students will be notified that compliance with this policy is mandatory. FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal privacy law that gives parents certain protections with regard to their children’s education records, such as report cards, transcripts, disciplinary records, contact and family information, and class schedules. As a parent, you have the right to review your child’s education records and to request changes under limited circumstances. To protect your child’s privacy, the law generally requires schools to ask for written consent before disclosing your child’s personally identifiable information to individuals other than you.

The following questions and answers are intended to help you understand your rights as a parent under FERPA. If you have further questions, please contact the U.S. Department of Education’s Family Policy Compliance Office using the contact information provided below. Does the school have to provide me with a copy of the records if I request them? Schools must honor your request to review your child’s education records within 45 days of receiving the request. Some states have laws similar to FERPA that require schools to provide access within a shorter period of time. FERPA requires that schools provide parents with an opportunity to inspect and review education records, but not to receive copies, except in limited circumstances.

Parents whose children receive services under the Individuals with Disabilities Education Act (IDEA) may have additional rights and remedies with regard to their children’s education records. The school district, local special education director, or state special education director can answer questions about IDEA.

- Who else gets to see my child’s education records? To protect your child’s privacy, schools are generally prohibited from disclosing personally identifiable information about your child without your written consent. Exceptions to this rule include:
 - disclosures made to school officials with legitimate educational interests;
 - disclosures made to another school at which the student intends to enroll;

- disclosures made to state or local education authorities for auditing or evaluating federal- or state-supported education programs, or enforcing federal laws that relate to those programs;
- disclosures including information the school has designated as “directory information.”
- What is directory information? FERPA defines “directory information” as information contained in a student’s education record that generally would not be considered harmful or an invasion of privacy if disclosed. Directory information could include:
 - name, address, telephone listing, electronic mail address, date and place of birth, dates of attendance, and grade level;
 - participation in officially recognized activities and sports;
 - weight and height of members of athletic teams;
 - degrees, honors, and awards received; and
 - the most recent school attended.
- Does FERPA give me a right to see the records of my son or daughter who is in college? When a student turns 18 years old or enters a postsecondary institution at any age, all rights afforded to you as a parent under FERPA transfer to the student (“eligible student”). However, FERPA provides ways in which a school may—but is not required to—share information from an eligible student’s education records with parents, without the student’s consent. For example:
 - Schools may disclose education records to parents if the student is claimed as a dependent for tax purposes.
 - Schools may disclose education records to parents if a health or safety emergency involves their son or daughter.
 - Schools may inform parents if the student, if he or she is under age 21, has violated any law or policy concerning the use or possession of alcohol or a controlled substance.
 - A school official may generally share with a parent information that is based on that official’s personal knowledge or observation of the student.

Chisholm Middle School

Device Handbook

The purpose of the **Chisholm Middle School Device Handbook** is to describe the policy, procedures, and information regarding the 1:1 devices used at Chisholm Middle School.

Devices

Each student will be issued a Chromebook with a charging cord.

Receiving and Returning Devices

Devices and charging codes will be distributed to students at the beginning of the year after the parents/guardians and students have attended an orientation session and paid the Technology Fee. When the device is assigned to the student and checked out, the condition of the device and accessories will be documented. This will help in the return process at the end of the year. Individual devices and accessories will be turned in during the end of each school year so they can be serviced over the summer. The following school year, students will be receiving the same device from the previous school year.

Parents/guardians and students will be required to sign a Google email consent form and a student/parent user agreement.

During the orientation session, parents and students will learn how the devices are used for instruction/learning and review the handbook.

Students who withdraw, are expelled, or leave the district for any reason must return their device, charger, and cords on or before the date of withdrawal.

If a student fails to return the device and accessories at the end of the school year or upon withdrawal from the Newton USD 373 School District, the student's family will be responsible for the cost of replacement of the device and charging cord.

General

- The device is the property of Newton USD 373 School District and users will follow the Acceptable Use Policy found on the district's website.
- Only use a clean, soft cloth to clean the screen.
- Students will only use the cords and cables provided with the device. Cords and cables must be inserted and removed carefully to prevent damage.
- Devices must remain free of any writing, drawing, stickers, or labels of any kind other than the Property of the District labels.
- Students must not remove any Newton USD 373 school labels.
- Devices are never to be left in an unlocked locker, unlocked car, or any other unsupervised area.
- Students are responsible for keeping their device's battery charged for use in school each day. It is also important that the device battery is not allowed to run down to 0%. This can create issues with the device.

Using the Device at School

Devices are intended for use at school each day. Students should bring their Chromebook to all classes, unless specifically instructed not to do so by their teacher.

Home Use

Students will be bringing the devices home for learning purposes (if they have paid the technology fee). Some tips for home use:

- The device should never be left unattended in a car.
- Parents should spend time setting up home guidelines for the use of the device. Students are allowed to set up wireless networks on the device. This will assist them using the device while at home.
- Technology support is not available outside of the school day.
- Newton USD 373 is not responsible for information and subject matter accessed outside the USD 373 network.
- Devices should not be exposed to extreme heat or cold, moisture, rain, or snow.
- **The device should not be used by anyone but the student assigned the device.**

- Returning their device to the school at the end of the school year. Students who withdraw or are suspended/expelled must return their device.
- Bringing their device to school each day, charged and ready for use.

Technology Usage Fee

The purpose of the technology fee is to protect and maintain the investment the district has made in the devices for student use at school and home. Normal wear and tear happens each year which requires repair and maintenance. Sending devices home increases the wear/tear and possibility of damage. The fee helps ensure the district can maintain, repair, and replace these devices for current and future student use.

The technology usage fee is \$50 per student per year. Students who qualify for reduced fees will pay \$30. Students who qualify for free/no fees will pay \$20. The Technology Usage Fee will be part of the enrollment fees for Chisholm Middle School students.

Students must return the device, charger, and cords in the condition it was issued to the student.

Replacement/Repair	Fee
Damage	Incident amount will be determined based on damage. (Minimum damage fee of \$50.)
Lost or Stolen Device	Responsibility of the Student/Parent - Parent/guardian is responsible for the cost of the replacement device
Lost or Damaged Charger	Responsibility of the Student/Parent - Parent/guardian is responsible for the cost of the replacement charger - Chromebook charger, \$50

Repair/Damage/Lost Devices

If you are encountering technical problems, report them to your teacher immediately. If it cannot be fixed at that time, a loaner may be distributed based upon the problem and availability of a loaner device. All device policy agreements remain in effect for the loaner.

Damage and or Lost Devices

1. Users will report any damaged or lost devices (IMMEDIATELY) to a teacher or front office.
2. Students will fill out a Damaged Device Report that will be signed by parent before repair is made to the device.
3. The cost for repairs will be the responsibility of the student/parent. The damage fee must be paid before the device is returned to the student.
