Dear Parents,

We have some fun things planned for January 23rd. During the school day, we will have a special guest from the NASA Glen Research Center to present to each class. We are so excited for the students to have the opportunity to learn from him and ask questions.

Then, in the evening, we will have a Family Engagement Night from 5:00-7:00. We will have all kinds of Out-of-This-World activities, including free food and local agencies with free giveaways. We hope to see you and your family for a night of fun!

A few important notes and reminders:

- Cold weather is here! Please dress your student for the weather! We have outside recess as long as temperatures are above 20 degrees.
- With jacket season beginning, our Lost and Found will start to fill up again. If your child is missing a coat, encourage them to check the Lost and Found. Writing your child's name on the inside tag can be helpful.
- December 20th is an Early Release day for students. Car riders will be dismissed at 1:15 and walkers will be dismissed at 1:25
- Winter Break is December 23-January 3. School will resume on Monday, January 6th.

We hope you all have a wonderful break and enjoy the holiday season.

Happy Holidays,
Mrs. Hartzler
