WEEK NOVEMBER 8, 2024

MESSAGE

Dear RCS Families,

As we approach our upcoming quarterly assembly, we want to take a moment to reflect on the exciting changes that are unfolding within our community. Change is indeed in the air, and we believe it is a part of God's divine design for us.

In this season of transformation, we are reminded of the strength and resilience that comes from our shared faith and commitment to one another. Each change presents an opportunity for growth, connection, and a deeper understanding of our purpose as a community.

MESSAGE CONTINUED

On that note, we would like to express our heartfelt gratitude and appreciation for Wesley Mosier, who has stepped up to take on the role of 4th and 5th grade teacher. Your dedication and willingness to embrace this responsibility are truly commendable.

We also want to acknowledge Julie Klein, who has been a tremendous supporter of our school. From her time as a substitute last year to her current role in our Maker Space, Julie has gone above and beyond to enrich our students' experiences. Your contributions have made a significant impact on our community.

God is so good to each of us and to the community we have at Maple Valley Christian. Thank you for your continued support and trust. Together, we can make this school year a remarkable one for our children.

Blessings,
MVE
