Elementary Girls Basketball Parents and Participants

I am super excited to be the elementary girls basketball coach this season. Grades 4 through 6 will be welcome to participate. Keep in mind this is a 5-6 grade season so this means the fourth graders may not see a ton of playing time dependent upon the number of girls that participate. Be reminded of all the playing time and growth they make by being at practice. I really want to instill the love of basketball in all the players who come out. This means playing time and learning for everyone.

I expect the girls to show up for practice if they join the team. If you make the choice to come out for basketball, you are making the choice to show up and get better for your teammates and yourself. If you do have to miss practice due to family emergency, sickness, or doctors' appointments please let me know and you will be excused.

Practice begins January 2nd. Please come prepared to practice with proper attire (no short shorts or belly shirts) and a water bottle. We will practice 2 weeks in Lambert and then 2 weeks in Richey so we will be at the opposite location of the varsity teams splitting the gyms between boys and girls elementary basketball. The practice buses leave right after school gets out and practice will start as soon as the bus arrives. The length of practice will be determined between John Mullin and I so please look for the bulletin for that time.

I will do my best to make sure the girls are learning, improving, and having fun. Please use my cell phone number if you have any questions or concerns. Go Fusion!
